PORTFOLIO

EXPERTISE SKILLS

- Full-Stack Web Development
- Frontend Web Development
- Backend Web Development
- React.js Development
- Vue.js Development
- JavaScript ES6+ Development
- HTML5 & CSS3
- Responsive Website Development
- UI/UX Implementation
- Component-Based Architecture
- Reusable Component Development
- React Hooks
- Vue Router & Vuex
- State Management
- RESTful API Development
- API Integration
- Python Development
- Django REST Framework
- JWT Authentication
- Dynamic Form Development
- Website Template Development
- Website Customization
- Cross-Browser Compatibility
- Website Performance Optimization
- Code Debugging & Troubleshooting
- Unit Testing
- Code Review & Refactoring
- On-Page SEO Implementation
- Agile/Scrum Development
- Technical Documentation
- WordPress Development
- Elementor Page Building

Experienced Web Developer with 6 years of expertise in full-stack development, responsive web applications, UI/UX implementation, and RESTful API integration using Vue.js, React.js, JavaScript, Python, and Django REST Framework. Proven experience in developing dynamic user interfaces, building reusable components, implementing secure JWT-based authentication, optimizing website performance, and collaborating with cross-functional teams to deliver scalable, user-friendly web solutions. Brings strong expertise in HTML5, CSS3, JavaScript, Vue.js, React.js, Angular, Python, Django, C#/.NET, PHP, Laravel, Node.js, and Agile/Scrum methodologies, helping organizations build secure, maintainable, and high-performing digital applications.

WORK EXPERIENCE

FRONT-END/VUE DEVELOPER/REACT DEVELOPER/PYTHON DJANGO DEVELOPER

DigiPlus Inc. | December 2024 – July 2026 (1 Year, 8 Months)

- Developed and maintained responsive web applications using HTML5, CSS3, JavaScript, and Vue.js; created dynamic interfaces using Vue Router, Vuex, and component-based architecture; collaborated with designers and back-end developers to implement UI/UX designs; optimized application performance, loading speed, and cross-browser compatibility; applied reusable React components and hooks; and participated in Agile/Scrum development activities.

REACT / VUE / PYTHON DJANGO DEVELOPER

Fly Asian International Inc. | April 2023 – November 2024 (1 Year, 8 Months)

- Developed responsive web applications using HTML5, CSS3, JavaScript, and Vue.js; implemented dynamic interfaces with routing, data binding, and state management; integrated front-end and back-end components; conducted code reviews; optimized application performance and browser compatibility; and collaborated with development teams through Agile/Scrum processes using reusable React components and hooks.

TOOLS

- React.js
- Vue.js
- Angular
- JavaScript ES6+
- HTML5
- CSS3
- Python
- Django
- Django REST Framework
- Node.js
- PHP
- Laravel
- jQuery
- C# / .NET Framework
- Java
- Vue Router
- Vuex
- RESTful APIs
- GraphQL
- JWT Authentication
- Jest
- Vue Test Utils
- WordPress
- Elementor

WORK EXPERIENCE

BACK-END DEVELOPER – C# .NET FRAMEWORK / DJANGO REST FRAMEWORK

Human Incubator Inc. | July 2022 – December 2022 (6 Months)

- Worked on back-end development using C# .NET Framework and Django REST Framework, collaborated with front-end developers, database administrators, DevOps engineers, and other stakeholders, participated in Agile development activities, supported code quality through testing and reviews, and shared technical knowledge with junior developers.

FRONT-END DEVELOPER – VUE.JS / REACT.JS

KodeGo BootCamp | August 2021 – June 2022 (11 Months)

- Developed interactive front-end applications using Vue.js and React.js, implemented reactive state management with Vuex and the Composition API, configured Vue Router, integrated RESTful APIs and GraphQL, created dynamic forms, optimized application performance, performed unit testing with Jest and Vue Test Utils, debugged issues, and collaborated on code reviews, documentation, and application maintenance.

FREELANCE WEB DEVELOPER

Freelance | June 2020 – June 2021 (1 Year, 1 Month)

- Developed customized website templates and responsive web pages using HTML, CSS, JavaScript, Vue.js, and React; collaborated with clients to understand project requirements; converted design mockups and wireframes into functional websites; implemented interactive features; and applied on-page SEO best practices to improve website visibility and user experience.

OFFICE ADMINISTRATIVE STAFF

Riyadh, Saudi Arabia | January 2009 – January 2020 (11 Years, 1 Month)

- Managed daily office operations, inventory, executive schedules, meetings, correspondence, and documentation; coordinated with clients, vendors, and internal teams; organized events and maintained office records; assisted with budgets, invoices, and expense reporting; supported employee onboarding and HR documentation; coordinated equipment maintenance and IT support; and maintained workplace security and regulatory compliance.
