INTERNATIONAL AUTO SHOW Nov. 12 thru 21

Brooks Hall in S. F. will again host the 2nd Annual International Auto Show where more than 100 Foreign imports will be on display.

It is the Club's good fortune to have a booth with as much space as required, courtesy of B.M.C. However, to operate such a booth successfully, the Club needs assistance. Working crews will be needed to man the booth. Literature pertaining to the Club is being printed, detailing what this organization does and what it stands for. Passes will be issued to all volunteers. So VOLUNTEER. Sign up at Rickey's. See John Allen. We need 15 couples.

CLUB HISTORIAN Fred Anderson recently appointed Club Historian is compiling the complete history of this organization. He has asked that members submit pictures and other material to him to become a part of the "years gone by".

CHRISTMAS PARTY GAYLE JONES requests that you set aside the date of Friday, December 11, for the ANNUAL CHRISTMAS PARTY WHING DING. The party is to be held at the Mira Vista Country Club in El Cerrito - good food, good band, announcement of new officers and a LOTAFUN. SOoooo, put the date on your calendar now.

JAG TRACKS At Laguna Seca and Robles Del Rio...the magnificence of the Concours at Pebble Beach...OWEN OWENS entered and his SS-100 Looking beautiful..the crowds...meeting PETE DE PAOLO of INDY fame.. LUCIUS BEEBE in all his splendor..Ex-member DENHOLM MCKIE judging...the PRINCE OF LUXEMBOURG in attendance...Ex-Prexy GENE BABOW winning a second place in an unmentionable.. the cars all beautifully prepared...the fog drifting in and punctuated by patches of sunlight...the restful serenity of Robles Del Rio and the graciousness of our hosts, BILL and KATHLEEN WOOD...fun time at the Lodge Saturday night with JACK FLAHERTY, RAY SCHER, WALLY THOMAS, SID COLBERG and GEORGE HEANEY in attendance... the forming of a new JAG CLUB IN PORTLAND spearheaded by member BOB STEEL of that city and a good friend of MIKE DANT...January is the "D" date... SAM ANTHES, MIKE DANT and HANK FORSBURG appointed by JOHN ALLEN to act as Nominating Committee in forthcoming elections...the race course just as fast as ever...FLAHERTY lapping a shade over 1:22...the hassle that developed in the 2nd lap of the "MAIN"... the over competitiveness of a driver that forced FLAHERTY off the course when he was in a challenging position.

In this writer's opinion driving of that sort is uncalled for and not necessary.

At any rate, the action was fast and furious for ONE lap...too bad the top challengers were forced out (And here come the Pro's)!...

Meeting DENISE MCCLUGGAGE of the "New York Herald" was a distinct pleasure. And her reactions to Laguna Seca. This gal has driven all over the world and piloted MARION LOWE'S LOTUS around the course. Her reaction to Laguna Seca - a fun course, similar to BRIDGEHAMPTON.

AND, so another RACE WEEKEND drew to a close....gone but notforgotten.

MAKE THE NEXT MEETING!!!
