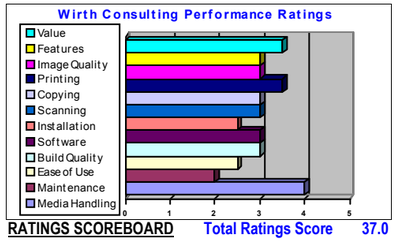
©Head2Head Comparison

Make	Canon		
Model	imageCLASS MF8450c		
Price	$950.00		
Imaging	Laser		
Classification	Color MFPs From $750 To $1,000		
Resolution (dpi)	600x600	**Network Scan**	☑
BW/Color Print Speed (ppm)	17/17	**Color Scan**	☑
Monthly Duty Cycle (pages)	50,000	**Network Print**	☑
Max Media Length (inches)	14.0	**Duplex Print**	☑
Max Media Width	8.50	**Duplex DF**	☑
Walk-Up Fax ☑	**Touch Screen** ☐	**USB 2.0 Port**	☑

The imageCLASS MF8450c provides color network print, copy and network scan, as well as walk-up fax. At Canon's rated print speed of up to 17 ppm in both B/W and color, maximum monthly duty cycle of up to 50,000 pages, and maximum paper capacity of up to 850 pages, it's suitable for small- to mid-size workloads, and is compatible with Canon's imageWare network management. They system incorporates a 3.5" color display, combined with a scroll wheel, for making selections



RATINGS SCOREBOARD	Total Ratings Score	37.0
Black/Color Cost Per Page	$0.02333	$0.12457
Total Cost of Ownership (Black/Color/ Mixed)		
100 pages/month	$1,089.99	$1,697.45	$1,279.55
500 pages/month	$1,649.95	$2,818.61	$2,019.11
1,000 pages/month	$2,349.90	$8,424.45	$4,331.00
3,000 pages/month	$5,149.70	$23,373.35	$11,112.01
5,000 pages/month	$7,949.50	$38,322.25	$17,893.01

Strengths

•3.5" color display utilizes Thin Film Transfer technology for exceptional visibility; control panel also utilizes a scroll-wheel for easier navigation through menus.
•Uses only black toner, not composite black (cyan, magenta, yellow) for producing more vibrant black text and images.
•Internet fax.
•Scan to and print from USB flash memory drives.
•Capable ImageWare Enterprise Management Console network-management.
•Capable Remote UI for client device monitoring.
•Canon Network Scan Gear software for scanning.
•Competitive total cost of ownership (TCO).

Limitations

Wirth Consulting has determined that this device does not have any notable limitations and should provide good functionality.

Notes

Best Use

Home offices, small offices and workgroups and enterprises that require an easy-to-use B/W and color office MFP with network print/copy functions on letter- and legal-size media that also supports routine B/W/color scan applications, and who may also require walk-up fax capability.

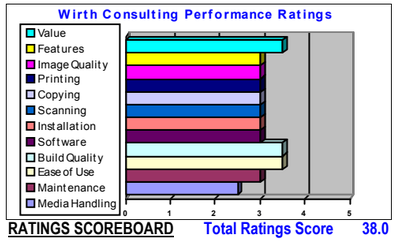
Make	Hewlett-Packard		
Model	Color LaserJet CM2320fxi		
Price	$999.99		
Imaging	Laser		
Classification	Color MFPs From $750 To $1,000		
Resolution (dpi)	600x600	**Network Scan**	☑
BW/Color Print Speed (ppm)	21/21	**Color Scan**	☑
Monthly Duty Cycle (pages)	40,000	**Network Print**	☑
Max Media Length (inches)	14.0	**Duplex Print**	☑
Max Media Width	8.50	**Duplex DF**	☑
Walk-Up Fax ☑	**Touch Screen** ☐	**USB 2.0 Port**	☑

This color laser MFP incorporates color network print, copy and network scan, as well as walk-up fax. It's based on HP's LaserJet platform, and HP rates the system at up to 21 ppm in both color and B/W. With its recommended duty cycle of up to 40,000 pages, as well as its compatibility with HP's Web Jetadmin network management, it's designed for small to mid-size workloads.



RATINGS SCOREBOARD	Total Ratings Score	38.0
Black/Color Cost Per Page	$0.03314	$0.15634
Total Cost of Ownership (Black/Color/ Mixed)		
100 pages/month	$1,198.83	$1,938.05	$1,430.78
500 pages/month	$1,994.19	$3,345.44	$2,420.06
1,000 pages/month	$2,988.39	$10,380.60	$5,397.94
3,000 pages/month	$6,965.19	$29,141.83	$14,213.83
5,000 pages/month	$10,941.99	$47,903.06	$23,029.72

Strengths

•Easy Printer Care software for deploying, monitoring and maintaining up to 20 devices.
•Password-protected lock-out for color printing enables administrators to specify which users can print in color.
•Software includes HP Toolbox FX, HP LaserJet Scan, TWAIN 1.9 or WIA scanner drivers, HP LaserJet Fax, HP Fax Setup Wizard, HP Fax software, Readiris PRO text recognition software, HP Director (for Macintosh), Readiris PRO OCR software.
•450 MHz Freescale Coldfire v5X CPU.
•HP Universal Print Driver (print to any HP LaserJet from any location without downloading print drivers).
•Very capable HP Web Jetadmin for network management.

Limitations

Wirth Consulting has determined that this device does not have any notable limitations and should provide good functionality.

Notes

Best Use

Home offices, small offices and workgroups, and enterprises, that have letter and legal B/W network print and copy applications as well as B/W/color scanning and walk-up fax applications, and occassional color printing and copying applications. Also suitable for users with occasional graphic-arts applications that require color print/copy capability, ability to accept card stock and index stock. Compatibility with HP's Web Jetadmin network-management solution facilitates use in enterprises and managed print environments.

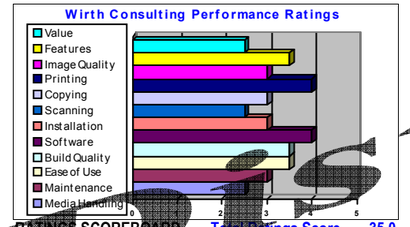
Make	InfoPrint		
Model	Color 1826 MFPdn		
Price	$799.00		
Imaging	Laser		
Classification	Color MFPs From $750 To $1,000		
Resolution (dpi)	600x600	**Network Scan**	☑
BW/Color Print Speed (ppm)	25/25	**Color Scan**	☑
Monthly Duty Cycle (pages)	55,000	**Network Print**	☑
Max Media Length (inches)	14.0	**Duplex Print**	☑
Max Media Width	8.50	**Duplex DF**	☑
Walk-Up Fax ☑	**Touch Screen** ☐	**USB 2.0 Port**	☑

InfoPrint introduced the Color 1826 MFP in October 2008 as part of its expanded portfolio of workgroup office-imaging devices. The Color 1826dn also represents the company's first entry into the sub-$999 MFP segment. This "dn" version includes standard automatic duplexing and networking capability.



RATINGS SCOREBOARD	Total Ratings Score	35.0
Black/Color Cost Per Page	$0.02523	$0.14912
Total Cost of Ownership (Black/Color/ Mixed)		
100 pages/month	$931.60	$1,494.90	$1,108.17
500 pages/month	$1,556.00	$2,585.75	$1,880.26
1,000 pages/month	$2,313.00	$7,946.00	$4,148.76
3,000 pages/month	$5,341.00	$22,240.00	$10,864.26
5,000 pages/month	$8,369.00	$36,534.00	$17,579.76

Strengths

•500 MHz CPU.
•PictBridge-certified front USB port. Users can also scan to and print from USB memory devices.
•Color fax.
•Color scan to PC, network folder, and e-mail. TWAIN scan driver also included.
•Standard 10Base-T/100Base-TX Ethernet network interface.
•"Eco Mode" reduces paper waste and energy consumption
•Color Savings Tool Set includes color coverage estimator, color balance control and color saver
•LDAP compatibility
•Relatively low total cost of ownership (TCO).

Limitations

•Ships with lower-yield "Starter" CYMK toner cartridges (2,500/2,000/2,000/2,000 pages at 5% area coverage per color).
• Multi-component consumables system, as the device utilizes four toner cartridge (CYMK) and four imaging developers one for each color - CYMK).

Notes

•Optional 650-sheet paper unit ($212).
•Toner prices are for Return Program Cartridges.
•Optional USB wireless 802.11g and 4-port external 10Base-T/100Base-

Best Use

Home offices, small offices and workgroups that require an easy-to-use B/W and color office MFP with network print/copy functions on letter- and legal-size media that also supports routine B&W/color scan applications, and who may also require walk-up fax capability.

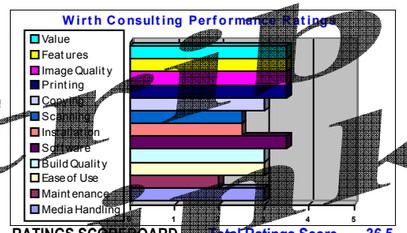
Make	Konica Minolta		
Model	magicolor 4690MF		
Price	$999.00		
Imaging	Laser		
Classification	Color MFPs From $750 To $1,000		
Resolution (dpi)	600x600	**Network Scan**	☑
BW/Color Print Speed (ppm)	25/25	**Color Scan**	☑
Monthly Duty Cycle (pages)	120,000	**Network Print**	☑
Max Media Length (inches)	14.0	**Duplex Print**	☑
Max Media Width	8.50	**Duplex DF**	☑
Walk-Up Fax ☑	**Touch Screen** ☐	**USB 2.0 Port**	☑

The magicolor 4690MF incorporates color network print, copy and network scan at rated speeds of up to 25 ppm (in both B/W and color), as well as Super Group 3 fax and TWAIN/WIA "pull" scanning. Its Emperon-based print controller is based on a 400 MHz CPU, and the system also features Konica Minolta's capable PageScope printer-management suite.



RATINGS SCOREBOARD	Total Ratings Score	36.5
Black/Color Cost Per Page	$0.02978	$0.09953
Total Cost of Ownership (Black/Color/ Mixed)		
100 pages/month	$1,177.70	$1,596.20	$1,304.03
500 pages/month	$1,892.50	$2,892.00	$2,071.51
1,000 pages/month	$2,785.00	$6,571.00	$4,139.19
3,000 pages/month	$6,360.00	$18,915.00	$10,439.55
5,000 pages/month	$9,934.00	$30,859.00	$16,739.91

Strengths

•Accepts heavier media (up to 110 lb. index via bypass tray).
•Capable PageScope management suite, and LinkMagic scanning utility; optional PageScope WorkWare scanning utility.
• Network scanning as well as TWAIN and WIA scan drivers.
• Enhanced Automatic Image Density Control for enhancing color image quality.
•400 MHz Pentium II CPU.
•Relatively low color cost per page of 9.9 cents and relatively low total cost of ownership (TCO) for color.

Limitations

• Multi-component consumables system, as the device utilizes four toner cartridge (one for each color - CYMK) and four imaging drums (one for each color - CYMK).
• Waste-toner box must be periodically emptied.
• No PostScript print driver.

Notes

Four imaging drums are required (CYMK), each of which are rated to yield up to 30,000 pages.

Best Use

Home offices and small offices and workgroups that have B/W network print and copy applications on letter- and legal-size media, as well as B&W/color-scanning and walk-up fax applications, and also have frequent color printing and copying applications that require business-color image quality. Relatively low total cost of ownership for color output will make it appropriate for color applications.

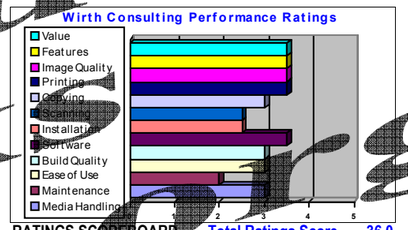
Make	Lexmark		
Model	X560N		
Price	$999.00		
Imaging	Laser		
Classification	Color MFPs From $750 To $1,000		
Resolution (dpi)	600x600	**Network Scan**	☑
BW/Color Print Speed (ppm)	31/20	**Color Scan**	☑
Monthly Duty Cycle (pages)	60,000	**Network Print**	☑
Max Media Length (inches)	14.0	**Duplex Print**	☑
Max Media Width	8.50	**Duplex DF**	☐
Walk-Up Fax ☑	**Touch Screen** ☐	**USB 2.0 Port**	☐

Lexmark introduced the X560N in January for small to mid-size office workgroups. The system provides standard out-of-the-box network connectivity via a 10/100Base-TX Ethernet network interface. It incorporates network color print, color copy, color scan and walk-up fax and is compatible with Lexmark's MarkVision network management. Of note is that it can be equipped with high-yield toner cartridges rated to yield up to 10,000 pages, for fewer user interventions and longer uninterrupted operation.



RATINGS SCOREBOARD	Total Ratings Score	36.0
Black/Color Cost Per Page	$0.02390	$0.13040
Total Cost of Ownership (Black/Color/ Mixed)		
100 pages/month	$1,142.39	$1,781.38	$1,341.83
500 pages/month	$1,715.97	$2,954.94	$2,107.67
1,000 pages/month	$2,432.94	$8,822.76	$4,517.25
3,000 pages/month	$5,300.82	$24,470.28	$11,573.73
5,000 pages/month	$8,168.70	$40,117.80	$18,630.22

Strengths

•Adobe PostScript 3 print driver and PANTONE color calibration.
•Optional Wireless Print Server, Gigabit Ethernet, Fast Ethernet (USB), Fast Ethernet (parallel), and Internal Multiprotocol Card.
•Scan to PC, FTP, and e-mail. TWAIN and WIA scan drivers, plus OCR software.
•User-replaceable fuser, transfer belt, feed roller, separators, feed roll, ADF maintenance kit, and multi-purpose feeder feed kit.
•Front-loading consumables
•2,400 dpi interpolated resolution.
•150-sheet multipurpose tray.
•One-year warranty and on-site repair.
•Compatibility with MarkVision network management.

Limitations

•No duplexing document feeder.
•Comparatively high color cost per page of 13.0 cents.

Notes

•Optional 550-sheet paper drawer/stand ($499.00)
•Optional 256/512/1,025 MB memory upgrades ($599/$719/$859).
•400 MHz CPU.

Best Use

Home offices and small offices and workgroups, as well as enterprises, that have B/W network print and copy applications on letter- and legal-size media, as well as B&W/color-scanning and walk-up fax applications, and also have frequent color printing and copying applications that require business-color image quality.

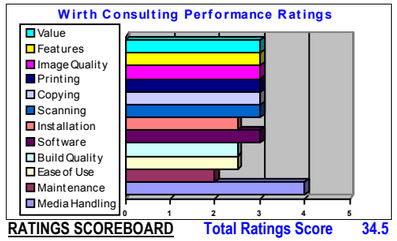
Make	OKI DATA		
Model	C3530n Color MFP		
Price	$599.99		
Imaging	LED-array		
Classification	Color MFPs From $750 To $1,000		
Resolution (dpi)	1200x600	**Network Scan**	☑
BW/Color Print Speed (ppm)	20/16	**Color Scan**	☑
Monthly Duty Cycle (pages)	35,000	**Network Print**	☑
Max Media Length (inches)	48.0	**Duplex Print**	☐
Max Media Width	8.50	**Duplex DF**	☑
Walk-Up Fax ☑	**Touch Screen** ☐	**USB 2.0 Port**	☑

The C3530n Color MFP provides color network print, color copy, color network scan and walk-up fax. OKI rates the system at up to 20 (B/W)/16 (color) ppm. The system can also be used for some graphic-arts applications, as well as B/W and color business applications, as it accepts card and 110 lb. index stock, can print on banner sheets as long as 48", provides color-correction and color-matching software, and also includes a PostScript print driver.



RATINGS SCOREBOARD	Total Ratings Score	34.5
Black/Color Cost Per Page	$0.03729	$0.20226

Total Cost of Ownership (Black/Color/ Mixed)			
100 pages/month	$823.75	$1,813.57	$1,142.15
500 pages/month	$1,718.77	$3,633.93	$2,333.59
1,000 pages/month	$2,837.55	$12,735.75	$6,075.58
3,000 pages/month	$7,312.67	$37,007.27	$17,038.76
5,000 pages/month	$11,787.79	$61,278.79	$28,001.94

Strengths

- Scan to and print from USB flash memory devices.
- Print on up to 110 lb. index via bypass; bypass also supports banner printing (print on up to 8.5" x 48" via bypass).
- High Definition Color and Auto Color Balance technology for enhancing color image quality.
- Network scanning as well as TWAIN scan driver for "pull" scanning. Nuance Paper and OmniPage software for managing scanned files and for OCR.
- Capable PrintSuperVision printer-management software. Job Accounting Software.
- Color Correct and Color Swatch utilities for adjusting color output.

Limitations

- Automatic duplexing not available.
- Multi-component consumables system, as the device utilizes four toner cartridge (one for each color - CYMK) and four imaging drums (one for each color - CYMK) that must be periodically replaced.
- Relatively higher B/W and color consumables' cost per page

Notes

Four imaging drums are required (cyan, yellow, magenta and black), each of which are rated to yield up to 60,000 pages.

Best Use

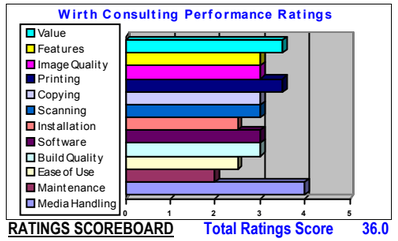
Home offices and small offices and workgroups that have B/W network print and copy applications on letter- and legal-size media, as well as B&W/color-scanning and walk-up fax applications, and also have frequent color printing and copying applications. Also suitable for users with occasional graphic-arts applications that require color print/copy capability, ability to accept card stock and 110 lb. index, as well as for specialized applications that involve printing on longer media (up to 4 feet), for producing color banners, signs, etc.

©2009 Wirth Consulting • Reproduction is forbidden

©Head2Head Comparison

Make	OKI DATA		
Model	MC560N		
Price	$999.00		
Imaging	LED-array		
Classification	Color MFPs From $750 To $1,000		
Resolution (dpi)	1200x600	**Network Scan**	☑
BW/Color Print Speed (ppm)	32/20	**Color Scan**	☑
Monthly Duty Cycle (pages)	60,000	**Network Print**	☑
Max Media Length (inches)	48.0	**Duplex Print**	☑
Max Media Width	8.50	**Duplex DF**	☐
Walk-Up Fax ☑	**Touch Screen** ☐	**USB 2.0 Port**	☐

OKI DATA's MC560N uses the company's LED-array imaging technology (a toner-based technology similar to laser imaging). While standard paper sources accept up to 8.5" x 14", the bypass tray supports banner printing (up to 8.5" x 48"). This, along with printing on heavier stock (up to 110 lb. index), makes the system suitable for some graphic-image applications. Also of note is a maximum paper capacity of 930 pages, which is substantial for this segment.



RATINGS SCOREBOARD	Total Ratings Score	36.0
Black/Color Cost Per Page	$0.01913	$0.11163

Total Cost of Ownership (Black/Color/ Mixed)			
100 pages/month	$1,113.75	$1,668.75	$1,269.76
500 pages/month	$1,572.75	$2,673.38	$1,920.23
1,000 pages/month	$2,146.50	$7,696.50	$3,956.54
3,000 pages/month	$4,441.50	$21,091.50	$9,891.59
5,000 pages/month	$6,736.50	$34,486.50	$15,826.64

Strengths

- Print on up to 110 lb. index via bypass; bypass also supports banner printing (print on up to 8.5" x 48" via bypass).
- Network scanning includes scan to FTP sites, PC, to e-mail (supports LDAP). Nuance PaperPort 11.2 software for scanning.
- Capable PrintSuperVision network management, and job accounting software.
- Copier Access Policy Manager for limiting color usage among users.
- 500 MHz CPU.
- Secure hard-drive erase and 256-bit encryption with PIN.
- Comparatively low B/W and color consumables' cost per page, and low total cost of ownership (TCO).

Limitations

- No duplexing document feeder.
- Multi-component consumables system, as the device utilizes four toner cartridge (one for each color - CYMK) and four imaging drums (one for each color - CYMK).

Notes

- Optional 530-sheet paper drawer ($183.99).
- Optional 40-GB hard drive ($304.99).
- Optional 512 MB memory upgrade ($232.99).

Best Use

Home offices and small offices and workgroups that have B/W network print and copy applications on letter- and legal-size media, as well as B&W/color-scanning and walk-up fax applications, and also have frequent color printing and copying applications. Also suitable for users with occasional graphic-arts applications that require color print/copy capability, ability to accept card stock and 110 lb. index, as well as for specialized applications that involve printing on longer media (up to 4 feet), for producing color banners, signs, etc.

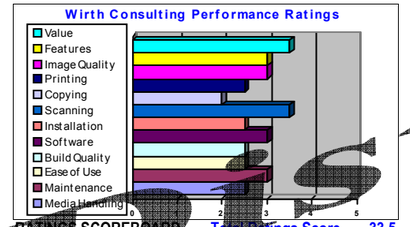
Make	Ricoh		
Model	Aficio SP C232SF		
Price	$799.00		
Imaging	Laser		
Classification	Color MFPs From $750 To $1,000		
Resolution (dpi)	2,400x600	**Network Scan**	☑
BW/Color Print Speed (ppm)	21/21	**Color Scan**	☑
Monthly Duty Cycle (pages)	30,000	**Network Print**	☑
Max Media Length (inches)	14.0	**Duplex Print**	☑
Max Media Width	8.50	**Duplex DF**	☑
Walk-Up Fax ☑	**Touch Screen** ☐	**USB 2.0 Port**	☐

The Aficio SP C232SF A4 MFP is very similar to the SP C222SF, except for a few minor differences (for instance, the two systems have different document-management software), and is compatible with Ricoh's SmartDeviceMonitor for Admin network management. At 21 ppm in both B/W and color, the Aficio SP 232SF is in the low end of Ricoh's Aficio digital-imaging device family, which ranges from low-volume MFPs and printers, to light-production systems rated at up to 75/70 ppm (color/B/W).



RATINGS SCOREBOARD	Total Ratings Score	33.5
Black/Color Cost Per Page	$0.01707	$0.0685

Total Cost of Ownership (Black/Color/ Mixed)			
100 pages/month	$901.43	$1,210.40	$994.33
500 pages/month	$1,311.16	$1,827.50	$1,468.44
1,000 pages/month	$1,823.31	$4,913.01	$2,824.68
3,000 pages/month	$3,871.93	$13,141.04	$6,892.03
5,000 pages/month	$5,920.57	$21,369.07	$10,959.37

Strengths

- Very low B/W and color consumables' cost per page of approximately 1.7 and 6.8 cents, respectively, and low total cost of ownership (TCO).
- Scan-to-e-mail, FTP and to-text OCR software. TWAIN and WIA Scan drivers.
- Web Image Monitor Utility and Presto!Page Manager for document management.
- @Remote and SmartDeviceMonitor for Admin network management.
- User restriction and locked-print features.
- PC Fax.
- ID Card Authentication Platform for restricting access.

Limitations

Wirth Consulting has determined that this device does not have any notable limitations and should provide good functionality.

Notes

- Optional 802.11b wireless interface.
- Optional 250-sheet Paper Feed Unit.
- Pricing is for high-yield toner cartridges.
- Optional 256 MB memory upgrade.
- 400 MHz CPU.

Best Use

Home office, small offices and workgroups, as well as enterprises, that require a color MFP for print, copy, fax, small workgroup scanning and for B/W and color office printing. Low color consumables' cost per page of 6.8 cents makes it an economical choice for environments with a higher percentage of color applications.

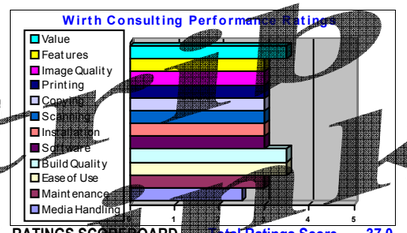
Make	Samsung Electronics		
Model	CLX-6210FX		
Price	$899.00		
Imaging	Laser		
Classification	Color MFPs From $750 To $1,000		
Resolution (dpi)	600x600	**Network Scan**	☑
BW/Color Print Speed (ppm)	21/21	**Color Scan**	☑
Monthly Duty Cycle (pages)	80,000	**Network Print**	☑
Max Media Length (inches)	14.0	**Duplex Print**	☑
Max Media Width	8.50	**Duplex DF**	☑
Walk-Up Fax ☑	**Touch Screen** ☐	**USB 2.0 Port**	☑

This color network print/copy/scan MFP is based on Samsung's capable MFP platform. The company is the second largest manufacturer of laser-print engines. Samsung rates CLX-6210FX at up 21 ppm in both B/W and color, and, with an up to 80,000-page maximum monthly duty cycle and 850-sheet maximum paper capacity, it will accommodate more substantial print and copy volumes.



RATINGS SCOREBOARD	Total Ratings Score	37.0
Black/Color Cost Per Page	$0.01891	$0.12330

Total Cost of Ownership (Black/Color/ Mixed)			
100 pages/month	$1,012.45	$1,636.78	$1,205.02
500 pages/month	$1,466.27	$2,743.46	$1,874.79
1,000 pages/month	$2,033.55	$8,256.63	$4,180.09
3,000 pages/month	$4,312.64	$23,092.48	$10,460.26
5,000 pages/month	$6,571.73	$37,888.13	$16,840.42

Strengths

- Color fax and PC fax. Network scanning as well as TWAIN and WIA scan drivers.
- Low B/W cost per page of 1.9 cents.
- Scan to and print from USB memory devices.
- Optional wireless network interface.
- Interface for direct printing from PictBridge-compatible digital camera memory cards.
- Capable SyncThru printer-management solution.
- SmarThru document-management software for managing scanned files,
- Feeds card stock.

Limitations

Wirth Consulting has determined that this device does not have any notable limitations and should provide good functionality.

Notes

Best Use

Home offices, and small- and mid-size offices and workgroups that require an economical fast, easy-to-use B/W and color office MFP with network print/copy functions on letter- and legal-size media that also supports routine B/W/color scan applications, and who may also require color fax capability. An economic choice for mostly B/W output with occasional color output.

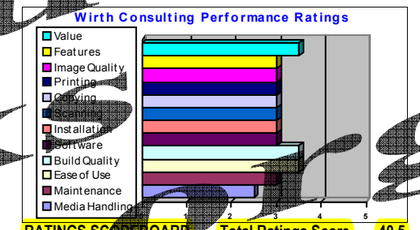
This color network print/copy/network scan MFP is based on Xerox's capable Phaser printer/MFP platform. Xerox rates the system at up 31 (B/W)/20 (color) ppm, and, with an up to 60,000-page monthly duty cycle and 950-sheet maximum paper capacity, it will accommodate more substantial print and copy volumes. Expect very good ease of use from Xerox print drivers, CentreWare network management, and the control panel.



RATINGS SCOREBOARD	Total Ratings Score	40.5
Black/Color Cost Per Page	$0.02361	$0.12111

Total Cost of Ownership (Black/Color/ Mixed)			
100 pages/month	$990.67	$1,575.64	$1,173.80
500 pages/month	$1,557.34	$2,665.59	$1,907.49
1,000 pages/month	$2,265.68	$8,115.38	$4,173.42
3,000 pages/month	$5,099.03	$22,648.13	$10,839.24
5,000 pages/month	$7,932.38	$37,180.88	$17,505.06

Strengths

- Adobe PostScript 3 print driver.
- PANTONE color-approved solid-color simulations, as well as Color Correction, ICC Profiles.
- 400 MHz CPU.
- Very capable CentreWare Web network-management solution
- Mobile Express print driver enables printing to most devices without installing print drivers, while Global Print Driver enables printing to most network printers and MFPs with a single print driver.
- Optional wireless network interface.
- Scan to PC Desktop software for scanning and document management; Nuance OmniPage and PaperPort
- Job Accounting software.
- Network scanning as well as WIA scan drivers.
- Print on up to 80 lb. cover (220 gsm) via Tray 2 and 3.

Limitations

Wirth Consulting has determined that this device does not have any notable limitations and should provide good functionality.

Notes

Best Use

Home offices and small offices and workgroups, as well as enterprises, that require an easy-to-use B/W and color office MFP with network print/copy functions on letter- and legal-size media that also supports routine B/W/color network scanning applications. Xerox CentreWare network management solutions enhances use in managed or enterprise environments, and the system has a competitive total cost of ownership (TCO).
