

Salesperson Licensing Requirements Course

Choose the right partner for your automotive journey!

This course is tailored for those wanting to get their Western Australian Salesperson Licence.

MTA WA's course enables students to gain knowledge of the industry legislation required in order to have their licence granted. This includes:

- ✓ Knowledge of the Motor Vehicle Dealers Act 1973
- ✓ The respective Government departments engaged with the industry
- ✓ Warranty laws for the sale of vehicles
- ✓ General industry legal compliance

Our in-house course combines the best parts of classroom and independent learning, with a full day of tuition provided at our Balcatta office and the exam component to be completed online at the student's convenience.

The course has been structured this way to minimise the time students need to spend outside of the workplace.

Included in the course:

- ✓ Industry Training Manual
- ✓ Licence Application Guide
- ✓ Access to MTA WA online training portal
- ✓ Industry experienced trainer
- ✓ Ongoing help and support
- ✓ Lunch and light refreshments
