The Women

WHO **PROCLAIM** IT ARE A

Mighty Throng.

PSALM 68:11

Dear Friend,

I am so excited about ROAR 2019 and more excited to see you there!

ROAR is a conference designed for women who lead! You may say, "I don't see myself as a leader," but we believe every woman is, whether it's at home, with family, in friend circles, at church, or the workplace.

As you look over the brochure, I pray that the heart of ROAR jumps off the pages. We desire to come alongside you and enhance your leadership journey, and we believe that ROAR Conference will ignite the passion of your leadership heart to resource your mission and connect you to other women who lead well.

The conference begins on Friday with a Leader's Luncheon with our keynote speaker, Jodi Detrick. The Leader's Luncheon is an additional fee and space is limited, so you'll want to sign up early for this special time with Jodi. During the conference, you'll experience powerful sessions with worship and speaking, amazing breakouts and presenters, and space to celebrate and connect with other women.

So, my friend, I truly believe ROAR 2019 will be better if you are there, and we hope you encourage others to come with you. Some women are obvious leaders now, and some women have yet to discover their leadership potential, but through ROAR we hope to foster leadership in all women.

I can't wait!

Much Love,

Lisa Potter

Jodi Detrick
KEYNOTE SPEAKER

Dr. Jodi Detrick, author of *The Jesus-Hearted Woman*, is a certified personal coach and an in-demand speaker for many groups across America. Jodi, an adjunct professor at Northwest University, loves to talk to people at heart-level about things that matter most. For many years, she was a religion columnist for *The Seattle Times*, one of America's leading newspapers. Jodi lives with her minister husband, Don, in the rainy Pacific Northwest where lattes are always a good idea.

Lisa Potter is a passionate leader of women who lead, a grace downloader, and a generational bridge builder living out her passions through speaking, writing, worship, and drama. She loves family, making lasting friendship connections, a “spot of tea,” storytelling, and living out her life in a creative flow. As she speaks, Lisa uses her life experiences to powerfully and transparently connect with her audience.

"I'M NOT A BETTER LEADER
BECAUSE I'VE BEEN GIVEN
BIGGER RESPONSIBILITIES...
I'M A BETTER LEADER
BECAUSE I STEPPED
