

# Journals that converted from OA to TA

From Open Access Directory

This list is part of the Open Access Directory (<http://oad.simmons.edu>).

- This is a list of open access (OA) journals that converted to toll access (TA).
- When possible, include the publisher and date of conversion, and indicate whether the journal converted from full or hybrid OA.
- Related lists in OAD: Journals that converted from TA to OA.
- Alphabetical by title.

## A

- Annals of Global Health (<https://www.sciencedirect.com/journal/annals-of-global-health>). Published by Elsevier, between 2014 and 2017 (inclusive). It converted to TA with optional hybrid in 2017. In 2018, the journal left Elsevier and was transferred back to the society.
