**NEW LADDER TRUCK**

The committee discussed the fire department's need for a new ladder truck due to the fact that the current one is twenty years old and the repairs are becoming very expensive.

Mr. Himes said the legislation will all come through for the next Council meeting. We will have legislation authorizing the sale of the existing ladder truck to the Tri-C Fire Academy, legislation approving the financing, and then legislation authorizing the purchase of the new vehicle.

Moved by Mr. Newell, seconded by Mrs. Evans that we recommend these to Council. Carried.  
Ayes: Lutz, Evans, Newell. Nays: None.

The meeting adjourned at 7:00 p.m.
