

Minutes of the Chagrin Falls

Shade Tree Commission

Oct. 4, 2012

Members present – Gary Nelson, Terry Nelson, Ed Wells

Guests – Ben Himes, John Brockway

Meeting called to order, 8:40 AM

Soil in the Senlac Hills subdivision spring planting sites should be amended this fall if the remaining budget permits. Hemlock has quoted amendment of each site @ \$45.00.

Flags need marking the fall planting sites should be checked and marked with paint prior to ops checking for underground utilities.

The Commission reviewed sites for fall planting. Hemlock estimates planting the third week of October.

Lake County nursery has inquired about some of our Commission members participating in a publicity video they are sponsoring. We have responded in the affirmative pending further discussion as to its content.

Terry Rounds will work with Lake County Nursery to purchase two additional crab apple trees for our fall planting.

Next meeting of the Commission is scheduled for Nov. 1, 2012, in City Hall at 8:30 AM

Motion to adjourn passed unanimously at 9:15 AM.

Respectfully submitted,

Ed Wells, Secretary
