MISCELLANEOUS

Mr. Arnold mentioned that part of a monument in section #12 came down during the recent storm. Mr. Brockway said it won't be remounted until next year due to the fact that they are over budget for 2012.

Mr. Trace asked if the video taping is complete? Mr. Arnold said yes. Mr. Trace said it looks like a stone was hit by a lawn mower in the older section and he asked that Mr. Arnold look into it.

Mr. Arnold brought up the idea of purchasing another bench, for the area by the columbarium, since one has been sold. He said the cost is about \$3,300 for one and maybe they should think about putting the cost of two of them in the budget for next year.

The meeting adjourned at 10:10 a.m.
