CIVIL WAR MEMORIAL

There was lengthy discussion regarding removing the memorial and reproducing it. It was agreed that reproducing or duplicating the memorial would take away from its historical significance. The cost to have it cleaned is about \$1,700 so they agreed to ask the Chagrin Valley Jaycees for a donation of \$1,700.

Mr. Bourisseau mentioned that he is going to look into getting some of the brick from Public Square in Cleveland to create a walk to the monument.

There was discussion regarding having the memorial dedicated as a federal landmark.

The meeting adjourned at 9:45 a.m.
