This Agreement, entered into as of this 29 day of October, 2013, by and between the Village of Chagrin Falls, Ohio ("Village"), an Ohio municipal corporation, with offices at 21 West Washington Street, Chagrin Falls, Ohio 44022 and Sally Goss ("Coordinator"), with offices at 518 Falls Road, Chagrin Falls, OH 44022 for professional Safe Routes to School coordinating services.

WHEREAS, the Village was awarded Safe Routes to School grant funds; and

WHEREAS, the Village wishes to engage the services of Coordinator for professional coordination services necessary to assist the Village with the implementation of the Safe Routes to School program; and

WHEREAS, such services are described in Article II of this Agreement; and

WHEREAS, Coordinator is qualified to provide such services; and

WHEREAS, Coordinator has agreed to perform such services in compliance with Safe Routes to School grant requirements.

NOW, THEREFORE, in consideration of the foregoing and of the covenants and agreements herein contained, the parties, intending to be legally bound, agree as follows:

**ARTICLE I – SAFE ROUTES TO SCHOOL BACKGROUND INFORMATION**

The Safe Routes to School Chagrin Falls Program (the "Program") is a cooperative endeavor between the Village, the Chagrin Falls Exempted Village School District (the "District"), the Chagrin Falls Police Department and the greater Chagrin Falls community. The purpose of the Safe Routes Chagrin Program is to maintain and improve safe walking conditions around the Chagrin Falls schools. The Program seeks to make walking and biking to school a safer and more appealing transportation alternative, thereby encouraging a healthy and active lifestyle from an early age. The Safe Routes team is confident that a few changes each year, as part of an overall strategy to encourage healthy and active lifestyles while raising awareness about safety, can make a big difference in the Chagrin Falls community.

The Safe Routes Chagrin Steering Committee (the "Steering Committee") is comprised of the Committee President (the "President"), the Vice President, the Treasurer, the Village's Chief Administrator Officer, the District's Superintendent, the District's Business Manger, a Police Department representative and the principals of the District's schools. The Steering Committee meets at least monthly and provides direction for the events and programs undertaken by Safe Routes Chagrin. The Steering Committee seeks to address factors that impede active transportation by students, both already identified and yet to be identified as the program evolves, and to encourage and support walking and bicycling in Chagrin Falls.

The Coordinator will be a member of the Steering Committee, reporting to the President and to the Village Chief Administrative Officer or his designee. The Coordinator will be responsible for the implementation, supervision and further development of a cohesive Program in Chagrin

Falls, with guidance and support from the Steering Committee. This means completing the projects started in 2009-2010 with funding from Safe Routes to Schools/Ohio Department of Transportation ("ODOT") and continuing to expand and improve the program with new projects and activities as determined by the Steering Committee.

The Village shall pay Coordinator within thirty (30) days of receipt of the invoice provided that such invoice and services provided are consistent with this Agreement.

Coordinator acknowledges that the Safe Routes to School grant funds are a reimbursement grant and, therefore, agrees that Coordinator will not be compensated for services provided that they are inconsistent with grant requirements or ineligible for reimbursement under the grant.
