The meeting was convened in the Village Hall Council Chambers at 8:36am.

OTHER

Review of the 2015 Goals and Objectives were discussed...

Long term goals removed from 2015 accomplishments. Franklin Park bench and plantings (approval per Service Department) will be added to 2016 Goals and Objectives. Anne will distribute documents for final approval.

FRANKLIN PARK

Anne met with Kathryn Garvey regarding North Street Sidewalk Opening celebration at Franklin Park on December 5th. Refreshments following at library. Objective is to educate kids with regard to crosswalk safety.

Idea was raised about adding a bench to Franklin Park. The existing bench was damaged during construction. John reported the construction company is set to replace it in the spring. Kathryn would like the bench used near the intersection of High and Cottage Streets, perhaps with a flower bed included. Final bench location and plant selection to be approved by Service Department. Also, watering will be a volunteer responsibility.

Per John, signage will soon be installed indicating crosswalks.

The meeting was adjourned at 8:59am.
