**BENTLEYVILLE FIRE PREVENTION AGREEMENT**

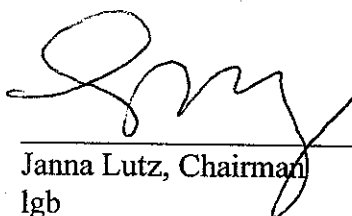

Mr. Alunni reviewed the fire prevention agreement, which will provide fire prevention and plan review services to the Village of Bentleyville. This is similar to the agreement that they have with Hunting Valley.

Comments were heard and questions were answered. Moved by Mrs. Evans, seconded by Mrs. Lutz that we authorize the approval of the ordinance with the Village of Bentleyville for the fire prevention and the agreement. The motion carried unanimously.

**TREX LICENCE TRANSFER FOR THE FLIPSIDE RESTAURANT**

Mr. Himes explained that there are no liquor licenses available in the village so they are proposing to transfer a license in from another city, which they can do per Ohio law on an economic development basis. They do need a letter of support from the village. Comments were heard from representatives of the restaurant. Moved by Mr. Newell, seconded by Mrs. Lutz that we pass the ordinance for the TREX license to be transferred to the Flipside Restaurant. The motion carried unanimously.
