What is #JustAdulting?

Once you turn 18 years old, you are legally considered an adult in this country. But what does that actually mean? From the right to cast your vote in the next election to entering into a lease for your first apartment to serving on a jury, you are about to enter a new and exciting world of rights, responsibilities, and obligations. The Florida Bar's #JustAdulting Legal Survival Guide is key in understanding how the law will impact your daily life. Contact staff@flrea.org for additional information or questions.
