BUDGET REVIEW

There was lengthy discussion focusing on the issues of having to determine what actions the village will need to take as a result of the recent tax levy failure and not having that increased revenue to help pay for the Capital Improvements, including the road program.

Comments were heard from Gary Gottfried, 103 Church Street, Jim Nerpouni, 179 Kenton Road, and Kathleen Visconsi, from Our Home Town Chagrin Falls.

The meeting adjourned at 7:55 p.m.
