North Street Road Repair- Resident survey RESULTS - 38 returned

The Village of Chagrin Falls is considering options for the repair of North Street and is interested in the opinion of the residents of North Street particularly with regard to keeping a portion of the road paved with brick. Please circle the best answer and return to the Village Hall or drop in the mail. Please return by June 15, 2009.

1. How long have you lived on North Street?

Less than 5 years	5-10 years	10-20 years	more than 20 years
9	7	5	16

2. Rate the condition of North Street.

Good	fair	poor	nearly impassible	no opinion
3	8	15	11	1

3. What priority should resurfacing of North Street be relative to other streets in the Village?

Highest	High	no opinion	moderate	low
14	10	4	8	2

4. Do you favor keeping the brick section paved in brick if cost where not a factor?

Yes	No
27	11

5. Do you favor keeping the brick section paved in brick even if it cost twice as much as resurfacing with asphalt?

Yes	No
19	19

6. Your additional comments are welcome
