

## GRO VISTA 4" LITE MODULE

This ultra lightweight system incorporates a special engineered soil blend with aerated components, to meet the weight-sensitive project needs, while still fulfilling needed plant nutritional requirements.

DIMENSIONS	12" x 24" x 4"
SOIL DEPTH	4"
SOIL TYPE	Extensive Engineered Soil
SATURATED WEIGHT	20 psf
WATER RETENTION	1.1 gal/sf
WATER DISPERSAL	12 gal/min/lf
IRRIGATION	Built in irrigation channels
