\* Due to the Cancellation of all Trophy and Challenge events because of the COVID-19 outbreak, it has been decided not to award any points for the Trophy teams.

\*\* Due to the EHL Final8 been put on hold because of the COVID-19 outbreak, it has been decided not to award points for these 8 teams. If the Final8 will be held in October 2020, the actual points will be awarded and the Trophy teams will receive average points.

**NB** The Appendix D (Challenge events) says:

5.3 In any year, after all tournaments have been concluded, the EHF will rank teams according to their final positions in their respective tournaments for that year. If teams are ranked equally then rankings will be decided by one of the following procedures:

*(a) If teams finishing 1<sup>st</sup> equal, 3<sup>rd</sup> equal, 5<sup>th</sup> equal or 7<sup>th</sup> equal played in the same pool in the previous tournament then the team which finished ranked higher in the pool will be placed 1<sup>st</sup>, 3<sup>rd</sup>, 5<sup>th</sup> or 7<sup>th</sup> and the team which finished below in that pool will be placed 2<sup>nd</sup>, 4<sup>th</sup>, 6<sup>th</sup> or 8<sup>th</sup>.*

*(b) If the teams have not played in the same pool then the rankings will be decided by EHF taking into account the records of the 2 teams (both averaged if necessary to allow for any difference in the number of matches played) following section 7.3 below. Where this does not produce a clear ranking then their rankings will be decided by EHF. To avoid doubt, only the pool matches will be taken into account when deciding the Nations Club Rankings.*

*A4d (Outdoor Master Regulations) Notwithstanding anything else in the EHF regulations, which tournament clubs shall be entitled to play in, and the ranking of the pools within that tournament, shall be a matter entirely within the discretion of EHF.*
