You do not need to contact anyone for your points to count. All Boulder County 4-H horse participants will be tracked. You must show your project horse(s). Classes shown with non-project horses will not count. If you should test up and change your riding level, please contact Debbie Weeks within 10 business days @ weeksdeb@hotmail.com or call 303-995-8267.

You **MUST** attend 2 shows to qualify, however the top scores from three shows will be used in calculating high point. The more shows you attend, the greater advantage there is to win a High Point award.

You **MUST** take the written test at Fair. The written test will be the tie breaker for individual awards and Club participation award.

Classes which are limited to only certain participants (limited by breed of horse, novice-only, etc.) will not count. Note that Showmanship counts for BOTH the English and Western awards.

Winners will be announced at the Boulder County Fair in the following divisions:

Walk-Trot/Walk-Jog	
Unrated English	Level III English
Unrated Western	Level III Western
Level I English	Level IV English
Level I Western	Level IV Western
Level II English	
Level II Western	

The club participation award will be given to the club with the highest average number of classes per participant; during all qualifying shows. The winning club will receive \$50.00 to use at their discretion, (ex. Pizza party, Ice Cream Party or just add to their budget.)
