

CASTLEMAINE CINEMATHEQUE

The Theatre Royal Castlemaine is launching Castlemaine Cinematheque on Wednesday 28 March, and they will screen a curated program of films for the celluloid lovers of regional Victoria every Wednesday. At the concession price it's very affordable – and the time has been chosen to fit in with our U3A timetable in the expectation that we will support it.

L'AVVENTURA

28TH OF MARCH

Cinematheque for 2018 commences with Michelangelo Antonioni's classic of Italian cinema, L'Avventura (1960), courtesy of the film's producer Cinematographique Lyre.
