

NUE Micro-Fe

Guaranteed Analysis

Iron (Fe)0.1%

Derived from Iron Humate

GENERAL INFORMATION

NUE Micro-Fe is water soluble.

DIRECTIONS FOR USE

Mixing Directions - Be sure spray tank is thoroughly cleaned, fill 1/2 full with clean water, add product and continue filling with agitation. Always add this product to tank before adding pesticides.

Compatibility - NUE Micro-Fe is compatible with most fertilizers and pesticides. Always jar test mixes before mixing large batches.

Applications - NUE Micro-Fe can be applied by ground and aerial spray equipment, drip or overhead irrigation systems.

Dilution and Spray Volumes - Always use enough water for uniform application and to prevent possible plant tissue damage to the intended crop from concentrated droplets.

Containers: Triple rinse. Dispose of containers only in a manner approved by local and state authorities.

ALWAYS READ LABEL BEFORE USING THIS PRODUCT
