

DON'T GET CAUGHT WITHOUT INSURANCE (WRONG BIAS INSURANCE THAT IS)

For only a loonie you can protect yourself against delivering a wrong bias bowl. Enter your name on your "insurance voucher". If you have a wrong bias, turn your voucher over to an opposing player and replay your bowl. Your opponent will then void the voucher by tearing it.

If you don't need to "cash in" your voucher, hold onto it as unused vouchers will be collected at the end of play at which time you will be eligible to win prizes.
