Excerpts from the Ministry

The term the consummated Spirit implies that the Spirit has been processed and thus has become the consummated Spirit.

The consummated Spirit is the Triune God after He has passed through the process of incarnation, human living, crucifixion, and resurrection.

Concerning the consummated Spirit, there are three major and crucial points. The Spirit of God has been compounded to become the compound ointment, as revealed in Exodus 30:23-25. The Spirit was "not yet" before Jesus' glorification in resurrection, as revealed in John 7:39. The Spirit is considered to be the seven Spirits of God to function as the seven lamps before the throne of God and the seven eyes of the Lamb, as revealed in Revelation 1:4; 4:5; and 5:6.

The consummated Spirit was breathed as the holy breath into the disciples by the Son in resurrection.

The consummated Spirit is the divine and mystical realm into which we may enter and in which we may live.
