

## Race War America 20?? Jew Take Over With Communism

-High Priest Mageson 666

Mandela the anti-White Communist, puppet standing with one of his jew handlers, Slovo.

Now I want to affirm this deep into peoples heads. South Africa is the future of America. A jew lead and organized Communist race war. The jews have created a situation between Blacks and Whites for a race war the same way they did in South Africa and now extinct Rhodesia. There was not the racial hatred between Whites and Blacks till around forty years ago when the jews started up the same communist line. Israel Cohen the big jew of the American Communist movement stated they would. The NAACP was founded and run by Jewish Communist's for over sixty years.

"We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to install in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause." — Israel Cohen, General Secretary of the World Zionist Organization, from his book 'A Racial Program For The 20th Century' (1912), read into the Congressional Record by Congressman Thomas Abernathy, U.S. House of Representatives (Mississippi, 4th district), on June 7, 1957, Volume 103, p. 8559, top of page.

Martin Luther King was an American Mandela. His handler was the Jew, Levison the former head of the American Communist Party. Levison wrote King's dream speech.

King, the beast as Saint:

Professor MacDonald showed in his book Culture Of Critique, the top ranking leaders of the American Communist Party where Jew's with some front Shabbos Goyim funded and directed by Jewish power in the background like King here and there, making all the actual leadership Jewish. And that THREE MILLION Jews where open members of open Communist movements, organizations and general groups in America all together. With thirty percent of the American Communist Party having members in the millions at its height in the 1930's, being Jews with all Jews in the top ranks. And 70% of the core members of the Communist "anti-War" movements in the 1960's and 70's being Jewish. With Jews in all the major leading roles. And the jew media promoting it in music, news, jew Hollywood and government.

During the cold war the Communist Party advanced its ideology under the guise of numerous liberal movements [Cultural Marxism] all lead by jews and directed by the KGB many times. The Civil Rights movement is one example. Look at King, he was their Communist agent.

Their still around and working towards Communist takeover of America today.

The jews are still trying to start this jew Soros and the jew media was behind the Black race riots happening in America. Which launched as part of the Communist narrative. And the protest Wall Street movement was organized by jew Soros and jew Rothschild agents. And was stated later by organizers to have been an open attempt to start Marxist social revolutionary movement in America. Bringing all the smaller fronts together under its banner.

Soros funded Ferguson race riots:

The Jews have centralized control over La Raza, and all Hispanic racial, anti-White groups that want to drive the White into the grave and ocean. Despite the fact they speak Spanish and some of them are actually European people racially still. La Raza, The Black Panther's and others are literally arms of the Communist Party in America as a current whistle blower stated:

This is from a Xian perspective but it tells you what's going on, he admits the American

Communist Party is funded by globalist Jew bankers. And even the Civil Rights movement was and is a Communist cover.

You can also see this as they all have Communist Ideology and the different Black groups where operating with the KGB out of Communist Cuba and other networks. The Black Lives Matter movement is an openly Communist organization who's idealized founder is a Black Communist living in Cuba avoiding arrested in America for murdering a White police in the name of Communist revolution. They are trying to start a Black Communist uprising. The entire Blacks Lives Matter is funded by Jew, Soros. Do you understand the end game reason it was all Jewish lobbies who opened up the gates to Mexico and everywhere else now. Why Congressman Jew, Jarvis pushed this into being with his "Open The Gates" speech and demand. Open the gates, that says it all. Think of this arm in arm with the fact jewish run Communist China is planning an invasion of America:

The Hispanic's are flooding into the millions, the Jews take the most intelligent of them and send them to different Marxist universities to train them to be Commissar's then send them back to the Hispanic's and recruit them into Communist, anti-White organizations under a thousand different names. Remember Caesar Chavez the Communist leader and organizer for the Hispanic's. He was just the start of this.

This goes outwards into numerous other groups not officially racially grounded from Gays, Liberals, students and a thousand other groups it's insidious. The Jews stated in their Protocol's they are the like the thousand arm statue of Vinsu. Their message in everything.

The entire narrative of all these organizations that are fronts for the Jewish run American Communist Party is simply this....

George Lincoln Rockwell's warning to White America, that the Jews are using the Non-

White's and their opening of the gates into our nations and flooding non-Whites in. Simply as the Jewish battering ram to destroy the White Race and conquer the West under Communism, the exoteric arm of Judaism. Is Happening and going to keep on happening.

The jew has dropped the mask in this right now in Europe:

This was what Commander Rockwell warned us about and fought against, giving his very life in the struggle against the End Game of Jewry. He also fought for a peaceful solution to the racial problem between Blacks and Whites.

Team Swastika is the only force that can save The White Race and **All Mankind** on this Planet. The jew recoils from the Swastika like a jew vampire from the hooked cross.

Adolf Hitler gave us the path for the final victory of the White Race and Humanity. He is the Savior of Mankind and was understood openly as the Messiah of the White Race and Mankind by the leading Spiritualist Satanists of Germany when he appeared. The jews might be in for a real shocker as the myth of His demise their leaders sold the world of the bunker is the greatest lie ever sold.
