Shrenik is a graphic designer from Mumbai, India and currently living in Baltimore, United States. He completed his **MFA in Graphic Design** from the **Maryland Institute College of Art (MICA)** in May 2017. His work focuses on typography, type design, branding and exhibition design and has been acknowledged by **Adobe Design Achievement Awards, Behance** and **Typism**. He has also participated in the design exhibitions at MICA and in Melbourne, Australia. Besides being passionate about design, Shrenik loves the sport of cricket, travel, petting dogs, cooking delicious Indian meals, fitness and rock & roll. Moreover, he is the initiator of the rock band project **Mountains And You**, Shrenik's labour of love, through which he collaborates with musicians and producers to create original rock music. Shrenik has also acted in the plays produced by the Rivals of The West Theatre Company in Baltimore.
