Total Nitrogen (N) **8%**
 8.0% Ammoniacal Nitrogen

Derived from Aqua Ammonia

GENERAL INFORMATION

CHB NitriBloom contains liquid plant nutrients for soil application on all crops.

DIRECTIONS FOR USE

Compatibility - CHB NitriBloom can be applied with other Bio-Gro, Inc. CHB line of secondary (Ca & Mg) and micronutrients (Zn, Mn, Cu, B & Fe). When tank mixing with trace minerals, be sure minerals are properly chelated. Always conduct a jar test if you are uncertain about compatibility or consult your Bio-Gro, Inc. dealer for more information.

Applications - CHB NitriBloom should be concentrated to maximize response. It can be applied as a band in the soil or broadcast on the surface. It can be injected into drip, micro-sprinkler or overhead irrigation systems.

SUGGESTED APPLICATIONS

Soil Application Rates

All Crops: CHB NitriBloom can be applied preplant, at planting or side dress at 1 to 5 gallons per acre. This product should not be placed directly with a seed or in the root zone. Contact your qualified dealer, product representative or agronomist for recommendations on placement of this product.

Fertigation

All Crops: Apply 1 to 5 gallons per acre per irrigation. Recommended fertigation methods include overhead sprinkler and drip irrigation. When using high rates avoid direct contact with living plant material or ensure an adequate volume of water to dilute the product on the plant surface. Minimum dilution is 1 part of CHB NitriBloom to 1000 part waters.

Continue irrigation after application to completely flush lines and maximize nutrient distribution.

CONDITIONS OF SALE

Seller and/or manufacturer warrants only that this product consists of the ingredients specified on this label. No one is hereby authorized to make any warranty and/or guarantee concerning the use of this product. Being that the use, timing, placement, rate, application and other conditions are beyond the control of the seller and/or manufacturer, the seller's and/or manufacturer's liability for handling, storage and use of this product is limited to replacement of product or refund of purchase price.
