CHB Premium 21

Guaranteed Analysis

ALSO CONTAINS NON-PLANT FOOD INGREDIENTS:

1% Humic Acids

Derived from: Leonardite

NOTE: Humic acids are not a replacement for plant nutrients. Add adequate amounts of macro, secondary and micronutrients as recommended by soil and plant testing.

GENERAL INFORMATION

CHB Premium 21 is a humic acids solution extracted from leonardite. CHB Premium 21 is designed for soil and water run applications in combination with fertilizers.

DIRECTIONS FOR MANUFACTURE

Applications - CHB Premium 21 can be applied by side dress and banding equipment, water run through irrigation systems or sprayed directly on soils with other fertilizer materials.

Add CHB Premium 21 to liquid fertilizer at rates specified by customer. CHB Premium 21 can also be impregnated into dry fertilizer blends.

Storage and Disposal - Store in original containers at temperatures **above freezing**. Dispose waste at approved disposal facility. To dispose of containers, triple rinse and dispose according to local and state regulations.

It is recommended to shake, stir or agitate containers or tanks of CHB Premium 21 just prior to usage.

SUGGESTIONS FOR USE

CHB Premium 21 blends can be soil applied and water run on all crops at rates of 1 to 10 gallons per acre. It is best to use materials in split applications with other fertilizer and micronutrient products at 1 to 3 gallons per acre in 2 to 4 applications.

Potatoes, Carrots and Onions: 2-10 gal/acre in split application during periods of peak nutrient uptake.

Field Corn, Sweet Corn, Snap Beans, Peas, Cucumbers: 2-4 gal/acre in 2-3 applications, in conjunction with fertilizers.

Cherries, Apples, Grapes: 2-10 gal/acre in split applications during periods of canopy (wood, shoot, and leaf) development.

Cranberries, Blue Berries: 2-6 gal/acre during periods of nutrient application and uptake.

NOTICE

Since many pesticide products can be neutralized and/or tied up by soil organic matter, it is highly recommended not to use pesticides applied directly with humic acids. Consult pesticide representative before using on a large scale.

CONDITIONS OF SALE

Seller and/or manufacturer warrants only that this product consists of the ingredients specified on this label. No one is hereby authorized to make any warranty and/or guarantee concerning the use of this product. Being that the use, timing, placement, rate, application and other conditions are beyond the control of the seller and/or manufacturer, the seller's and/or manufacturer's liability for handling, storage and use of this product is limited to replacement of product or refund of purchase price.

This product has been verified to comply with USDA national organic standards under 7 CFR part 205.203(c)(3), 7 CFR part 205.105(a) and 205.105 (b). This product is intended for use according to an approved organic system plan.
