

We are in the process of creating fresh material for the upcoming Open House as well as web page and brochure information that lists all clubs and projects in Jefferson County. The idea is to make it easier for potential members to see all that Jefferson County 4-H has to offer.

If you could fill out this brief Club Resume, we can get started making some cool info about your club!

Description about your club: What do you guys do each meeting? (What would you tell someone who's interested in joining?) At our business meetings the president, which is elected by the members, runs the meeting. We have an agenda and vote on everything so the club is making the decisions. Our business meeting once a month is split into our new project (45 mins), business meeting (45 mins) and an educational section. Our rides are ring rides that are based on a strong understanding of safety and working with your horse. We do focus on show type riding including English, western, showmanship and gymkhana. We would like to start riding more working ranch horse rides also.
