

Rooted Week 4

Read Colossians 3:16

What does Paul mean by “let the word of Christ dwell in you richly”? How does time in God’s Word affect our worship?

Before we worship it’s good to ask: Why am I doing this? Why might it be a good habit to practice answering the “why” question several times each day?

Using this verse and other verses from Scripture, make the case for worship being an individual *and* corporate discipline.

Although worship is not primarily for us, what benefits do we receive from gathering with other believers to worship?

Who is the recipient of our worship? Why is He worthy of worship (use Scripture)?

How does remembering who we worship change our perspective about the methods we use in worship?

How can you prepare for worship on Sunday mornings?

In the sermon, we discussed three categories you may fit in. Describe each one and find a negative and/or positive example from Scripture of each.

Scarecrow:

Tin Man:

Lion:

Take a few minutes to examine your own worship. Which of these categories represent you right now?

FOR BRIDGE GROUPS: Plan a 20-30 minute worship time as part of your next gathering. Your time can include, but is not limited to: Singing, Scripture Reading, Public and Private Prayer, Communion, Confession, Thanksgiving.

Be creative. Find a way to engage the whole group. Enjoy and honor God together.
