Record your own points for each result in the one horizontal row , under the team code of your opponent.
 Score for each of two sets: 1 point for a win, ½ for a tie, 0 for a loss. Maximum points = 2 per game.

Figures in red did not match with an opponent.

To calculate the final total, the single recorded score is assumed to be correct.

Where there is no recorded score at all for a game, each player was awarded zero points.
