

Golden Spurs 4-H Club

Golden Spurs is located at the Table Mountain Ranch in Arvada Colorado. We are now offering 4-H for youth in the Horse Project. Table Mountain Ranch has a heated in-door arena for our winter rides and a beautiful lounge area for our meetings.

We are offering training with Cassandra DePintino who is our highly skilled English/Dressage Trainer offering schooling up to 4th Level. Cassandra loves to work with the youth and enjoys showing and training at any level.

Rachel Henley is a Colorado native who is driven by her dedication and passion to help both horse and rider through their daily ventures. She is an ARIA (American Riding Instructor Association) instructor and a John Lyons certified trainer in Golden, Colorado.

Both trainers are well known in the community and highly recommended.

Jamie Allen our new resource leader for Golden Spurs has completed 13 years of Jefferson County 4-H and has won numerous high points in English and Western in her showing career with her horse Special Whodini. Jamie loves the 4-H kids and has a lot to offer this club.

We have several lease horses available for 4-H use at TMR. We want to ensure all youth have the chance to participate in 4-H.

Questions? Please call Pam Allen at 720-314-9226.
