NOTES:

- Additional Non-refundable registration/intent to return fee of \$75 due at time of joining or committing to return. (Not applicable to MG)
- Pay by check, cash, or credit card (VISA/MasterCard). Make checks payable to “CCCC.”
- Credit card payments – a 3% processing fee is added to all credit card transactions.
- If you join during the semester, your tuition will be prorated accordingly.
- If you drop out of chorus, you are subject to the tuition drop policy. See below.
- If you do not pay your tuition, your chorister may not attend rehearsals or any scheduled chorus events until your account balance is up-to-date. Continued non-payment will result in your chorister being dismissed from chorus.

REFUND POLICY & DROP/RESIGNATION

Because every chorister is expected to live up to his or her commitment for the entire season, CCCC has a very limited Refund Policy. A \$100 non-refundable Administrative Fee will be deducted from your tuition, and cannot be included in any refund. After that, the Refund Policy is:

50% Refund – if CCCC is notified within 6 weeks of chorister’s first rehearsal day (per semester)

0% Refund – if CCCC is notified after 6 weeks of chorister’s first rehearsal day (per semester)

If a chorister must withdraw from chorus anytime during the performance year, they, and their parents will meet with their Level Conductor, and submit a Drop Form to the Finance Manager. Any refunds are based on the date that the drop form was received by CCCC.

Even if a chorister drops out of chorus, all tuition and fees incurred to date remain immediately due and payable. Also, music must be returned or an additional fee will be assessed.

We make exceptions to our drop/refund policy in extreme circumstances, such as, serious illness or injury, or the family moving outside the CCCC attendance area. Exceptions are at the discretion of the Finance Manager.
