This department is subject to all BCF General Rules, General Exhibitor Rules and all Junior Exhibitor Livestock and Animal Division Rules in addition to those listed for the department.

### GENERAL RULES

1. All dogs must be checked by a fair veterinarian before being allowed to show at the fair. A health certificate, no older than 30 days, may be substituted for Animal Health Inspection.
2. The only training equipment allowed in the obedience ring(s) are choke collars or flat buckle or clip collars without tags and 6 foot nylon or leather leashes. No halties, gentle leaders, slip leads, harnesses or pinch collars will be allowed in the ring. In the Showmanship ring choke collars, or buckle collars with leashes or martingales must be used.
3. If a dog has failed an exercise, it will not ordinarily be re-judged unless the judge feels the dog's performance was prejudiced by peculiar and unusual conditions. In such a case, the judge may wish to re-judge the dog only on the portion of the exercise in which the unusual condition occurred.
4. Exhibitors must follow the Colorado State 4-H Dress Code.
5. NO dogs are allowed beyond the immediate vicinity of the indoor arena. This includes after the dog show unless it is walking back to the car. Dogs aren't allowed to enter other barns, or buildings.
6. All exhibitors are responsible for clean up after their dogs.
7. Dogs must be on leash at all times except when performing excises off leash in the show ring.

### ELIGIBILITY RULES

1. Only exhibitors enrolled in the 4-H Dog Project are eligible to enter classes under Department 400.
2. Each 4-H or FFA member will provide an up-to-date current record book at the time of check in. A non-printed record book is allowed on a flash drive.
3. Record books may be used in case of a tie breaker in any class.
4. The member must own their project dog individually or in partnership with immediate family members or guardians during the complete duration of the project.
5. An exhibitor may enter more than one dog in the same class for Obedience and Rally if they meet County qualifications. Exhibitors may only exhibit 1 dog in Showmanship. If an exhibitor has two

dogs in the same Obedience class, they must choose one dog for sits and downs. The other dog must be handled by a 4H member currently enrolled in the dog project for sits and downs.

6. Proof of current rabies and parvovirus vaccination must be presented upon check-in. Rabies tag number must be on entry form under Registration Tag category.

#### **DOG ELIGIBILITY RULES**

1. Only dogs with a complete 4-H Dog ID on 4-H Online by May 1 are eligible to enter classes under Department 400.
2. After once earning a qualifying score in competition as a 4-H project dog, that same dog is no longer eligible for exhibition in that same or any lower class at any following fair, except in graduate novice, open, and utility classes.
3. A dog with an A.K.C. degree or a degree from another national dog association is disqualified from entering the class for which degree was awarded or any lower class, except if the obedience (not Rally) degree was won less than four months before the fair, and then the dog is eligible for entry in the same class. Rule 1, above, takes precedence over this rule.
4. The progress the dog has made and the number of years the member has been in the project determines the correct class to enter. Beginner Novice A is open to first-year dog project members only, and Beginner Novice B is only open to second year dog project members with the same dog & youth team that showed the previous year. Youth that are experienced handlers, but are working with a new or different dog than previous years, enter the Beginner Novice C class. In Novice and Grad- Novice Obedience classes and in Rally Obedience, the A classes are open to first year's contestants only. Second year contestants and youth competing with a different dog, need to be entered in the B level classes.
5. Entrants in B (or C) classes will be judged at a higher skill level (less handler errors are expected) than handlers entered into A level classes.
6. No bitch in heat will be allowed to compete in any dog class. A Boulder County Fair, Livestock Show & Rodeo veterinarian's decision on doubtful cases will be accepted as final.
7. All entrants are responsible for cleaning up after their dogs.
8. Dog show officials can & will dismiss any entrant or their families from the show for any mistreatment of dogs entered in the show. If a question should arise as to what constitutes mistreatment, 4-H Staff and/or officials will meet to discuss appropriate action in each case. Dismissal from the show will result in the forfeiture of any awards.

#### **STATE FAIR DOG TRAILS:**

1. Refer to the Colorado State Fair 4-H Contest Requirements for deadlines, show dates and rules.
2. After earning a qualifying score in competition at the Boulder County Fair, the exhibitor can decide to show at State fair. For Boulder County, there are only four spots available per class. The top four places will have first say if they would like to show at state fair. Once the entire class has been worked though, scores from 4-H fun matches and Dog shows can be considered for state fair participation. Exhibitors must show proof of qualifying score. Top scores will be considered first.
3. Eligible exhibitors MUST notify the Dog Superintendent by 5 pm the day of the Boulder County Junior Dog Contest of their decision to participate in State Fair, and which classes they will be entering.

**PREMIUMS:**

See Junior Exhibitor Livestock and Animal Division Rules under Exhibiting on the County Fair website.

**EXHIBIT CLASSES**

1. There will be a minimum of three (3) judging rings. Ring size will depend on division and the judge’s discretion.
2. All 4-H Obedience and Rally classes will be patterned after the latest AKC obedience guidelines whenever possible, except that dog registry with AKC is not required. Some exercises and rules may have been adapted from AKC to better serve the youth of this program.

Any dog 7 years old or over may be shown in the Veteran's Division. Veteran Division dogs will be allowed/required to jump ½ of their regulation jump height. They will be required to perform all exercises in their class; jump height will be the only difference from the regular class. It is the choice of the member, the member's parent, and the member's trainer and veterinarian as to giving a dog Veteran's designation. Scores will be calculated as follows:

- a. Novice: judge's score
- b. Pre-Grad-Novice: judge's score plus 3 points
- c. Grad Novice: judge's score plus 6 points
- d. Open: judge's score plus 9 points
- e. Grad Open: judge's score plus 12 points
- f. Utility: judge's score plus 15 points

If a dog is entered as a Veteran during a project year, they may go back to regular obedience the following year; however, they must go back to the level they would have been competing at before they moved to Veterans. The dog must jump their required height and width for their class. For the broad jump the correct number of boards must be used for the width being jumped. Refer to the chart for proper jump regulations. Broad Jump Heights \*Four boards are used for 48-72 inches \*Three boards are used for 28-44 inches \*Two boards are used for 16-24 inches.

**SHOWMANSHIP**

A written test will be given to each contestant entered in showmanship. The exhibitor is responsible for taking the test at the designated time. If the exhibitor does not take the test within the designated time, then that portion of the showmanship score will result in a score of zero.

For example: the dog should be stacked (either hand stacked or free stacked) upon entering the ring, during the exam, after the pattern, and any time they are in the line-up. The "set-up" score will reflect all of these times when the dog is stacked.

Arms & hands do not need to be maintained in any particular position at any time. The handler may not touch the dog or make any physical corrections any time. ### **PUPPIES ONLY**

#### **CLASS #24: Puppies**

##### **Puppy Only Class**

The puppy class is for puppies or older dogs that are not ready for regular obedience classes. The purpose of this class will be to introduce obedience commands to a new dog without the stress of perfection seen in regular obedience classes. This class will introduce the dog to shows in a positive manner, thus setting the dog up for a life time of enjoyment in the show ring. Dog and handler team are evaluated more on the handler's skill in training a new or young dog and dealing with the animal's mistakes than on the skill of the animal when performing the exercises.

Food treats or toys are allowed in the ring. Double commands will be allowed.

This is a NO SCORE class. The score sheet will consist of Excellent, Good or Needs Improvement in each of the following areas: Loose Lead Walking; Sit for Exam; Recall; Down Stay and Serpentine Walking.

After one year of showing in the Puppy Obedience Class: If the member was in their 1st year of obedience training, the team moves into Beginner Novice A Obedience, if the member was in their 2nd year or higher of obedience training, the team moves to Beginner Novice C 1st year.

The dog and handler team will be judged on the following:

1. Loose lead walking - Not necessarily in the heel position, but not pulling the handler around and the dog is watching the handler. The dog should be on the left side of the handler. Handler should be able to get the dog's attention.
2. Sit for exam – In this exercise the puppy is commanded to a sit position. The judge will approach the dog and examine it. The purpose of this exercise is to teach the puppy to accept handling from a friendly stranger.
3. Recall – the handler will command the puppy to stay in a sit position and will step just in front of the dog. When the judge says “call your dog,” the handler will proceed to walk backward no more than six feet while calling the dog. The dog should get up and follow the handler in a happy manner. After the six feet has been reached, the handler will command the dog to sit.

4. Down Stay - The handler will put the dog in a down. When the judge says "Leave your dog," the handler will tell the dog to stay. The handler will walk to the end of the lead, pause, and then immediately walk behind the dog and back to heel position.
5. Serpentine Walking – The expectations are the same as for loose lead walking, with the addition of the distraction of the three "posts".

#### **SPECIAL CONTESTS / AWARDS:**
