Excerpts from the Ministry

Our knowledge of God is more important than our service to God. We cannot merely serve God without pursuing knowledge of Him. Our service to God should be based on our knowledge of Him. If we serve God but do not know Him, we will not be acceptable to God.

What are the ways of God? The ways in which God deals with us are His ways. His ways entail what He wants to do. The ways of God are the choices He makes concerning us. These are the ways of God. His ways are what He deems best. The ways of God imply that God acts according to His desire and choice.

Our entire spiritual future hinges on our ability to worship the ways of God. All true worship comes from knowing God and receiving a revelation of God.

Knowing God strengthens us; our strength depends on the degree of our knowledge of God. Only those who know God will show strength and take action. Those who know God will be strong to take action in order to expand their horizons, extend their boundaries, and break new ground for God.
