EXPERIENCE

Art Director

castAR - (2016-present)

Art Director - **Unannounced Augmented Reality Titles**

- Art director over multiple iterations of one of three flagship AR titles.
- Juggled personnel needs, time/engine constraints, and look and feel.
- Adjusted art direction to account for target demographics and team attrition.
- Design, writing, look dev, and 3D art production for Unity on Android.
- Participated in weekly build reviews, bi-monthly dev reviews from execs.
- Produced art assets for multiple 2-week production prototypes.
- castAR is developing a proprietary AR gaming console and platform.

Environment Artist, **Disney Infinity**

Disney Interactive (Avalanche Software) - (2015-2016)

Environment Artist - **Disney Infinity 3.0 Inside Out, Finding Dory Playsets**

- Created art for multiple entire levels, including the game's intro.
- Working with filmmakers and IP gatekeepers for approvals.
- Light design and enemy design for multiple enemies.

3D Artist, Art Director

Inverted Axis - (2014-2015)

Art Director - **Unannounced Horror Adventure Game**

- Pre-production and visual development of style, look, and feel.
- Research trip to St. Augustine, FL to gather information and reference for the project.
- Oversight of external and internal artists and their assets.

Lead Environment Artist - **Unannounced Football Management Game**

- Production of environment art scenes for various football-themed environments.

Environment Artist, **Disney Infinity**

Disney Interactive (Avalanche Software) - (2011-2014)

Environment Artist - **Disney Infinity, Disney Infinity: Marvel Superheroes**

- Initial pre-production, visual, and gameplay design for Toybox mode.
- Design and creation of dozens of Disney IP-themed game assets.
- Worked with 20+ Disney and Marvel IPs

Character Art Intern, **Everquest 2**

Sony Online Entertainment - (2010)

EDUCATION

Animation - Brigham Young University
Russian (Double Major) - Brigham Young University
