Hello everyone,

I'd like to introduce myself and **invite youth and their families to a youth oriented hands-on hunter ed (HE) class.**

## The HE Class

The class is internet based. You'll complete quizzes and a summary test. Then the fun begins. A day to pull it all together that entails hands-on learning. The hands-on day ends with a 50 question multiple-choice test and live-fire on the range. We provide all the equipment, ammunition, firearms, etc. A parent is required to attend the 8<sup>th</sup> for youth attendees under the age of 18. Parents may also obtain their HE certification. The youngest age recommended is 8 years old.

## To Register

1. Sign up by emailing me the following: Name as you would like it to appear on your HE card, date of birth, address, phone, and email address.
2. Complete an on-line HE session. Plan for six 1-hour sessions for youth. Recommended website [hunteredcourse.com](http://hunteredcourse.com). Click buy now (\$13 paid upfront online, refunded if you don't pass – that won't happen) and select CO as your state. Other online options: [Today's Hunter](#) (\$24.50 paid at end of course online); [Hunter Course](#) (\$24.95 paid at end of course online).
3. Arrive at Conifer Community Church 9998 S. Havekost Rd, Conifer, CO 80433 with a copy of your on-line certificate showing you completed the online portion of the course and cash or check of \$8.

Call or text 303-717-8326 or email [susanneroller@comcast.net](mailto:susanneroller@comcast.net) with any questions.

Thank you so much,

Susanne Roller
