

NOTICE OF CANCELLATION FORM

- You have 14 days from the day after you received the goods to cancel this contract.
- You do not have to give us a reason.
- You must inform us in writing if you wish to cancel.
- You can complete and submit the standard cancellation form below, or follow any clear statement on our website, and we will acknowledge receipt of it by email without delay.
- You must send notice of cancellation before the 14 days have expired.
- Customised, bespoke, specially ordered, or imported goods cannot be cancelled. Please view the [Terms & Conditions](#) for full details.

EFFECTS OF CANCELLATION

You will receive a refund of all payments, including the basic costs of any delivery charges (though not any upgraded delivery options). Unless you agree otherwise, the refund will be by the same payment method, however you may not receive any fees if applicable. We may make a deduction if the goods have lost value because you handled them more than was necessary to establish their nature, characteristics and functioning, or if they were damaged in transit. If goods were supplied, you will have to arrange their return to us not later than 14 days after your cancellation. The refund will then be made not later than 14 days after their return or evidence of their return, whichever is the earliest. If you requested a service which began, and then was cancelled within the cancellation period, then you must pay an amount in proportion to what has been done in comparison with the full coverage of the contract.
