

Poll Everywhere

Options!

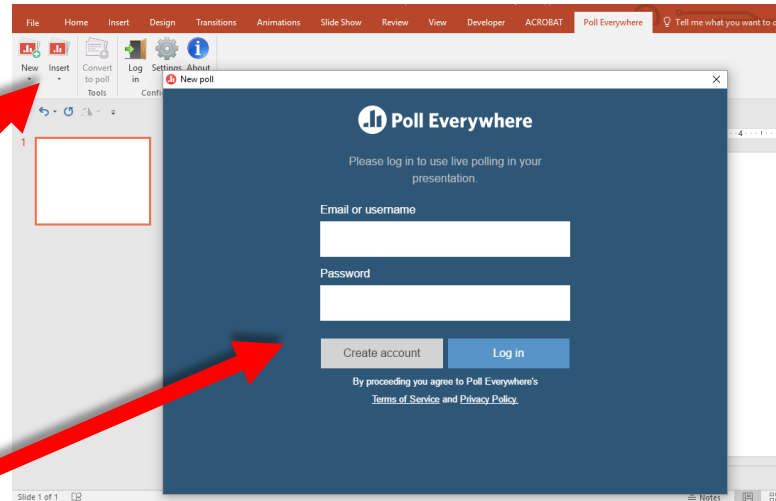

1. Go to polleverywhere.com.
2. Either log in or set up your account.
3. Under "Polls," on the left side of the page, you will see the option to download the app.
4. Select the type you want, and follow the prompts.
5. Open PowerPoint.
6. "Poll Everywhere" will now be in the ribbon.

9. You will see this, so that you can follow the prompts and build your poll.
10. Insert the poll into your presentation.
11. You must give the poll in "Slide Show" Mode.
12. Students have instructions to enter via web or text message.

7. Select "New Poll," or re-use one you already have.
8. It may prompt you to log in.
