### LIFE CHAIN REMINDERS/RULES:

#### ATTITUDE:

- **PEACEFUL & PRAYERFUL** - This is a peaceful event. Talking is discouraged and prayer is requested while silently holding pro-life messages. Many passersby give the thumbs up and some even stop and join, but some indicate their disagreement and not always in a nice way. Simple ignore and pray for them that their hearts will be awakened to the awful reality of abortion as it affects unborn babies and their mothers!

#### MESSAGE:

- **SIGNS** - We provide any number needed of 5 different pre-made signs procured from the national Life Chain organization so that the messages are the same coast to coast!
