

# Islam...

The current news in Europe is now calling for “more tolerance for Islam.” Although I am and have been aware for many years that Islam is even worse than fundamentalist Christianity [which is total rot], I am not an expert. High Priestess Zildar knows much about Islam in depth and is an expert. What I have come across in the past few days of which Lilith led me to, people need to know.

Many, many years ago, it was exceptionally cold outside and I was waiting for the bus and had time and went into a small library right near the bus stop. I was browsing some books and pulled out a book on torture from the shelf. I will never forget what I saw and read. A small woman from Yemen who ran away from her abusive husband was caught, sentenced and returned to her husband by an Islamic court. They pounded a tow truck chain through her forearm. I always thought this was a somewhat isolated incident. Was I ever wrong.

I have known and befriended men from the Middle East who came to America when I was a very young adult. Most were decent, polite and respectful. They put Islam behind them. Others only observed Islam lukewarm sop to speak, as is with many xians [Christians for people who are new here]. In order to find out if something is “good” or “evil” it must be given power. I would also like to add here, how the Jews use anything and everything they can to create enmity between family members and of course between men and women. What is thoroughly disgusting and appalling is how this completely degenerate and depraved Jewish program of Islam [Judaism is the root] is blamed upon men. The problem is NOT with “men,” THE PROBLEM IS WITH ISLAM!! If the problem were with men, as the Jews try to promote through certain areas of the media, then it would be world-wide, which it isn't. This is just another case of blame shifting as with how xian Andrea Yates murdered her five children by drowning them in the bathtub when they came home from school one day.

What smacks of these three Jewish invented so-called “religions” is how they induce not only total insanity, but also incite believers into committing the most extreme and utterly depraved acts that in any normal society would place the perpetrator in an asylum for the criminally insane for a lifetime. The more an individual ties into xian or Islamic energy, the more psychologically unbalanced they become. Many young and well meaning men enter the xian seminary and study to be xian ministry. Yes, this is pushed upon them and they are told this is a good thing and that they can help others. Xianity takes its toll over the years and then men usually end up as perverts and pedophiles. Many other extremely negative things also factor into their lives and most become completely intolerant, obsessive, hateful and in some cases, even murderous. Lives destroyed. They also end up destroying many lives. One of the prosecutors in the Salem Witch Trials read the Bible some 54 times. This affected him with

influencing a murderous bent. This is not surprising given the intense focus on murder, torture, rape and every other ugly thing that is the foundation of the “Holy Bible.”

This is a bit long, but please take the time and read. Those who remain ignorant and unknowing only open themselves to the worst victimization imaginable. The world is in the state it is in because millions are duped into not only slavishly worshipping, but also promoting TRUE EVIL. This has taken its toll and unless something is done, everyone on the entire planet will have no future.

Lilith led me to a book titled: “Souad Burned Alive.”

“When Souad was seventeen she fell in love. In her village, as in so many others, sex before marriage was considered a grave dishonour to one's family and was punishable by death. This was her crime. Her brother-in-law was given the task of arranging her punishment. One morning while Souad was washing the family's clothes, he crept up on her, poured petrol over her and set her alight.

In the eyes of their community he was a hero. An execution for a 'crime of honour' was a respectable duty unlikely to bring about condemnation from others. It certainly would not have provoked calls for his prosecution. More than five thousand cases of such honour killings are reported around the world each year and many more take place that we hear nothing about.

Miraculously, Souad survived rescued by the women of her village, who put out the flames and took her to a local hospital. Horrifically burned, and abandoned by her family and community, it was only the intervention of a European aid worker that enabled Souad to receive the care and sanctuary she so desperately needed and to start her life again. She has now decided to tell her story and uncover the barbarity of honour killings, a practice which continues to this day.

Burned Alive is a shocking testimony, a true story of almost unbelievable cruelty. It speaks of amazing courage and fortitude and of one woman's determination to survive. It is also a call to break the taboo of silence that surrounds this most brutal of practices and which ignores the plight of so many other women who are also victims of traditional violence.”

This was a couple of days ago and I just finished reading the book. It was enough to make me vomit. Lilith wanted me to do a sermon on this. High Priestess Zildar also got a similar message concerning the threat of Islam and how people need to be educated about what Islam really is and how this is most urgent at this time more than ever. Islam has infested many countries in Europe

and just as with the xian and communist programs; it is either convert or die. What is even more appalling regarding the above mentioned book is how a couple of pro-Islam websites are trying to denounce this woman's story as being "fabricated in order to make Islam look bad." Thanks to the internet though, many are aware this case is one of many, and what is worse, it is common in countries that are infested with and dominated by Islam. There are just too many similar cases of this sort of thing that have been made public for this to be "fabricated." Just check out how women in Afghanistan are treated and even if one fingernail is showing [they are covered from top to bottom with only a net to look out of], they are readily beaten with clubs, or even worse. The enemy will do anything and everything to try to take shift the blame and take the heat off of Islam as a religion. They also do this with xianity. Blame the victims, anyone and everyone, but not the root cause itself.

In this auto-biography, Souad reveals how as a pregnant teenager, her brother-in-law doused her with gasoline and set her on fire. This, I have learned is quite common in those areas. She lived through it. Most young women who are victims do not make it to tell and the few who do are understandably terrified, as this is called an "honor killing" and the family will try in every way to finish it, if the murder was not successful the first time, even if the woman is in hiding in another country thousands of miles away. This reveals just how the influence of Islam can incite one to the most sick and utterly depraved acts, the lowest and most vile of crimes and even worse, do this to members of their own families.

Here are some excerpts from the book. This woman is Arab and lived somewhere either in Jordan or the West Bank. She was rescued after she was dumped in a hospital where she received no medical care and was left to die with burns over 90 percent of her body, and taken to Europe, where her life was saved and she was given treatment:

"It is a curse in my village to be born a girl. I have no memory of having played games or having fun as a child. The only freedom a girl can dream about is marriage, leaving your father's house for your husband's, and not coming back, even if you are beaten. If she does return to her father's house, it is her family's duty to bring her back to her husband. My sister was beaten by her husband and she brought shame on our family when she came back home to complain."

"A wife must produce a son, at least one, and if she gives birth to only girls, she is mocked." Souad also went on to reveal how her mother was pregnant 14 times and when girls were born, she murdered them immediately by smothering them. I also want to add here, this is not fabricated. If one takes the time, one can find on the internet and on YouTube, there are entire villages in various parts of the world that have been infested by Islam and there are only males left as nearly all of the female babies were either aborted or murdered right after their births. This is a fact.

[Her father] “He pulls me by the hair and he drags me on the ground into the kitchen. He strikes me while I kneel, he pulls on my braid as if he wants to pull it out, and he cuts it off with the big scissors used for shearing wool. I have hardly any hair left. I can cry, yell or plead, but I’ll get only more kicks.” “The girls and women were certainly beaten every day in the other houses too. “You had to bring even this tea tray to the men of the family with your head down, looking only at your feet, and back bent and in silence. You don’t speak. You only speak in answer to a question.” “Our mother was often beaten just as we were. Sometimes she tried to intervene when my father beat us really viciously, and then he’d turn the blows on her, knocking her down and pulling her by her hair.”

“Every birth of a girl was like a burial in the family. It was always considered the mother’s fault if she produced only girls. “...my parents went to see my brother’s wife at her parents’ house, where she had taken refuge because she was pregnant and he had beaten her. “It doesn’t take much at all before a girl is seen by everyone as a *charmuta*, who has brought shame to the family and who must now die to wash clean the honor not only of her parents and her brother, but of the entire village.

“It is the duty of the brother, the brother-in-law, or the uncle to preserve the family’s honor. They have the right of life and death over their women. If the father or the mother says to the son: ‘Your sister has sinned, you must kill her,’ he does it for the sake of honor and because it is the law.”

“Rarely did I see the police. It’s nothing if a woman disappears, and the villagers agree with the men’s law. If you don’t kill a girl who has dishonored her family, the people in the village will reject this family, and nobody will speak to the family or do business with them and the family will have to leave. “Assad was always angry and violent. He wasn’t allowed to go to see his wife. She had gone directly to her parents’ house when she left the hospital because he had beaten her too severely. But she returned to live with him anyway; it’s the law.”

I would also like to add here concerning pedophilia in Islam. Girls as young as 8 or 9 years old can be “married” off to men in their 40’s. IN addition to this, and I know this for certain, women are required to shave off all of their pubic hair. This makes for a child-like vagina.

“Absolutely every single hair of the genital area must be removed. It must all be bare and clean. My mother says that if by chance you forget a single hair, the man will leave without even looking at his wife and will say she is dirty!” “We don’t remove hair from our legs or our underarms, only from the vulva.”

Women who are not virgins and/or cannot prove they are virgins are murdered. Here is another quote: “We will have to wait for the moment when the husband will display the white linen from the balcony or attach it to the window at daybreak so the people can verify officially the presence of the bride’s blood.” “It is a

special linen that is placed on the bed for the first night.” “And we cry also with relief, for Noura has passed the great test. The only test of her life, except for proving she can produce a son.” “Noura showed her bruises. Hussein had struck her so hard that she had bruises on her face too. She lowered her pants to show her violet thighs, and my mother wept. He must have dragged her on the ground by her hair, all the men do that. But, I didn’t find out why he had beaten her. Sometimes its enough if the young bride doesn’t know how to cook very well, she forgets the salt, there is no sauce because she forgot to add a little water...that’s reason enough for a beating. “

“In my village, we don’t measure time the same way as in Europe. You never know exactly how old your father or mother is, you don’t even know the date of your own birth. Time is calculated by Ramadan...” [Islamic month of fasting]. “I prayed to God that night as usual. My parents were very religious, my mother went often to the mosque.”

After she was burned:

“I am on a hospital bed, curled up in a ball under the sheet. A nurse comes to tear off my dress. She pulls roughly on the fabric, and the pain jolts me. I can see almost nothing, my chin is stuck to my chest, I can't raise it. I can't move my arms either. The pain is in my head, on my shoulders in my back and on my chest.”

The book is a very blatant revelation of what Islam truly is. Now, European countries are being rapidly infested with this most vile of plagues to every beset humanity.

The Koran is divided into 114 chapters called suras [again, the number 6... 1 + 1 + 4]. In addition to the endless sick filth and depraved violence therein, there is also copious praise for the Jews and for Israel:

The Cow

[2.40] O children of Israel! call to mind My favor which I bestowed on you and be faithful to (your) covenant with Me, I will fulfill (My) covenant with you; and of Me, Me alone, should you be afraid.

[2.47] O children of Israel! call to mind My favor which I bestowed on you and that I made you excel the nations.

There are many more verses, but this sermon is already very long. I strongly suggest everyone here learn the truth about what Islam really is. Just as xianity constantly pushes and promotes endless lies about how it is brotherhood, peace, love and equality, Islam does the same. No different from how the populace is repeatedly brainwashed with these types of slogans in communist countries in regards to communism.

Don't be an uninformed stupid idiot. Instead of watching the jootube and wasting your time on worthless related crap, do a little research on Islam, be informed, know the truth and what it is and what they will do to YOU and YOUR FAMILY, if they ever take control, which is what is insidiously happening right now in Europe, various parts of Asia and other areas of other world.

"There are some who are putting women at risk. And doing so for ridiculous reasons, namely that they are somehow responsible for the abuse they are suffering." — Nazir Afzal, head of the Crown Prosecution Service, northwest England." "A new documentary secretly filmed inside several of the 85 Islamic Sharia Law courts operating in Britain has exposed the systematic discrimination that many women are suffering at the hands of Muslim jurists."

"In one case, the BBC secretly filmed proceedings at the Islamic Sharia Council in Leyton, a heavily Islamized area in east London. While there, a BBC reporter met Sonia, a Muslim woman from Leeds who has suffered extreme physical abuse from her husband. When Sonia obtained a civil divorce, the courts allowed her husband only indirect access to the children. After Sonia threatened to contact the police, the Leyton Sharia Council dropped its demand. Reflecting on the court case, Sonia said, "I could not bear the thought of such a violent person having my children. What was shocking was when I explained to them why he should not have that access to the children, their reaction was, well, you cannot go against what Islam says." "On its website, the Leyton Sharia Council writes: "Though the Council is not yet legally recognized by the authorities in the UK, the fact that it is already established, and is gradually gaining ground among the Muslim community, and the satisfaction attained by those who seek its ruling, are all preparatory steps towards the final goal of gaining the confidence of the host community in the soundness of the Islamic legal system and the help and insight they could gain from it. The experience gained by the scholars taking part in its procedures make them more prepared for the eventuality of recognition for Islamic law."

I strongly encourage everyone here to see for yourselves what Islam really is and ask yourself: Do you really want to be "tolerant" and have this most vile of plagues that will eventually murder YOU and YOUR LOVED ONES in YOUR COUNTRY?

Just take a long hard look at the photos on this website and see for yourself the REALITY OF WHAT ISLAM TRULY IS:

“Muslims in Saudi Arabia abused their hired help from foreign countries such as the Philippines. This is a picture of Sumiati a maid from the Philippines. She had burns all over her body as well as broken bones...”

“Fakhra Yunus was a dancing girl in the red light district of Pakistan. She left her husband after 3 years of marriage because of his abusive behavior toward her. He came to her mother's house while she was sleeping in May 2000 and poured acid all over her. After a decade of over a dozen surgeries she jumped out a window and killed herself. More than 8,500 acid attacks, forced marriages and other forms of violence against women were reported in Pakistan in 2011.”

“People are afraid to speak out about Muslim Rape in Norway.”

“Disturbing video from the Netherlands: Muslims beat, kick non-Muslim girl. This is happening on a daily basis all over the Netherlands.”

“Woman stoned for being seen with a man. Muslim cleric explains that stoning purifies the soul. The above woman was being done a favor.”

[Women are also buried up to their necks and then stoned to death for having failed to ask permission to use the toilet].

“Hole where Medine Memi, a 16 year old girl, was buried alive for talking to boys.” [There is a photo].

“Three months pregnant, Farzana Parveen was on her way to the courthouse to contest an abduction charge her family filed against her husband, Mohammad Iqbal. A group of nearly 20 family members, her father and brothers included, accosted the couple in front of the courthouse and tried to pull them apart. When Farzana resisted, they fatally beat her with batons and bricks from a nearby construction site.

Calling the murder an "honor killing," the victim's father is said to have proclaimed he killed his daughter because she had insulted the family by marrying without their consent.”

Only something truly evil and thoroughly depraved would corrupt and incite people to commit the lowest and most vile crimes such as these. Islam is a lethal plague and cannot be tolerated in any of its forms. For those idiots who state and mistakenly believe “It’s not my problem” if nothing is done to stop this vile monster, THEN IT WILL BE YOUR PROBLEM.

Satan stands for freedom, liberation, justice and human rights.
