District 14T Convention

The District 14T convention is scheduled for April 28th at the Red Lion Hotel (Harrisburg/Hershey). It's a one day event again this year beginning at 8:00 am. See King Lion Brian or Secretary Steve for more information.

District 14T Environmental Photo Contest

Last Call: The district is holding an environmental photo contest. The 8 X 10 unframed photos should be of something in nature or the environment in our District. Entries should be brought to our April 3rd meeting. One winner will be selected from our club to be entered in the District contest at our District Convention in April.

29th Annual Golf Tournament Set

It's hard to believe but the Foundation will be hosting its 29th annual Henry Nixon Memorial Golf Tournament on **Saturday June 2nd at 1:00 PM** at Manada Golf Club in Grantville. More information will be available at the meeting in April and May. Mark your calendar to be a player or to help with various support activities that day.

What is HEP Night April 17th? - It's been an annual tradition for well over 30 years that our club (Hershey), meets with the Elizabethtown and Palmyra Lions Clubs in a joint meeting. It commonly referred to as HEP Night and this year we're the host.

What does GUMC mean? – GUMC is the abbreviation for our meeting place, Grace United Methodist Church.

THE LAUGHING LION

MONEY \$\$

"The safe way to double your money is to fold it over once and put it in your pocket."

- Frank Hubbard

"There is a very easy way to return from a casino with a small fortune: go there with a large one." - Jack Yelt

Membership Matters

At the March meeting, the board of directors discussed potential modifications to the club calendar of meetings. For the 2018-19 year (7/18 – 6/19), it has been suggested that the boards of the Club and the Foundation only meet quarterly. In the place of monthly board meeting, additional program meetings will be added to improve information sharing and provide increased opportunities to bring guests and potential members. Watch for more details in the newsletter and at upcoming meetings.

Measles is No Match for Lions Clubs International Foundation

Dear Lions- Happiness is seeing healthy children run and play and go to school. Unfortunately, in areas where measles is prevalent, some children have those simple pleasures taken away. Nearly 400 people die from measles every day, most of them children. Survivors can be left with life-altering complications including permanent hearing loss, blindness, and brain damage. This doesn't have to happen. Measles is a preventable disease, which is one reason why Lions Clubs International Foundation (LCIF) is supporting measles initiatives. One measles vaccination costs about US\$1. I've seen Lions pull together and accomplish great things, so I know that we can eliminate measles by donating to the cause and volunteering in local measles campaigns. Let's see what we can do to fight measles and give all children a healthy start to life! Consider donating to LCIF's measles initiative, One Shot, One Life.

Sincerely,

*Chancellor Bob Corlew
Chairman, LCIF*
