

# **Racial Egalitarianism Is Jewish - Equality, The Slothz'in Perspective**

## **-High Priest Mageson 666**

The radical biological-race egalitarianism of the Jewish programs of Christianity, Liberalism and Communism were differences between races, ethnicities, the sexes, cultures, nations. Where every person is just an interchangeable and thus a disposable human being with nothing unique or special or important about them. Which leads to the purposeful demoralization and dehumanization of everyone. Which is what opens the gates to the massacres of over a two hundred million people by Christianity and Communism together, the two great egalitarian ideologies. This egalitarianism is from the Jewish mind. It's their view of the goyim, literally that's it. Just interchangeable and disposable chattel slaves.

*This is from a series of questions I answered in a thread on the forum.*

## **The “we’re all equal crowd”:**

The we are all equal mentality comes from people with outer directed values which they require fulfilment from to derive a sense of positive self-regard and identification with. What they mean when they say were all equal is I am just as good and of value as anyone else and I matter too. And I extend this to everyone else for the cause of social reciprocity process back to me to gain esteem from. Part of this which is the basis of most moral systems.

However this is all occurring in a dysfunctional social environment. So it reflects this. To be balanced a person has to be inner directed from this they develop the needed sense of internal wholeness and wellbeing that allows them to assign their own values and meanings to the world that are not depended on others. What happens is logically there is a natural meeting between social values and internal values as many parts of the two a line in natural reality. This is how normal social cultures, ethic's and norms originate from. However the solely out directed types are unbalanced in never developing the inner anchor they have no instrument to measure any outer ideological values. This is done on this society and is engineered to create a person who can't stand upright psychologically on their own two feet. Otherwise the needed consciousness wouldn't be there for the jews to create a herd of two legged cattle. This is why you note the SJW types are always obsessed with the praise of others to the extreme they don't think they just prattle on for social praise and the feeling of worthiness they require from repeating the platitudes. If Nazi's ran the world tomorrow they would be the biggest Nazi's. The value is superficial it's just the means to the end. It's a nose ring to be lead around with.

## **Egalitarianism do not want and want:**

Radical Egalitarian systems don't work because they are built on the false premise of

equal qualification in all realms by declaring the eternal differences between all individual races, beings and even the sexes to be superficial. Which is the only way they can make such a claim in the first place. This physiological egalitarianism does not exist and is left over Xian superstition. You can only have a level of social egalitarianism which is needed to establish a meritocracy within the state. This is basically the point of the American Constitution. Every citizen is protected by the same due process and constitution rights and freedoms. After that you have the freedom to go as far as you can in whatever your qualified in. However the qualification for being a citizen was based on Race as the Founders stated in the Alien and Immigration acts of the Constitution. Only Whites are citizens and only Whites Europeans may immigrate to America and become Citizens. When you have a natural system the qualifications are based in eternal scientific laws not in schizophrenic joo, mumbo jumbo from the bible.

Multi-racial societies never work because the psychophysical differences between the races violently break them apart very fast in the scale of time. Nature demands racial separation and self-determination. Nature is God in the big sense it can't be denied. Its laws are absolute. The eternal god, nature has decreed that racial is the qualification for strong civilizations and their nation states. Science has shown Kin altruism, is hardwired into our psyche and its based on race solely. Civilization and society needs legitimate kin altruism to exist and survive and only members of the same race manifest this glue that keeps it all together. This is why the universal morality for all groups there is a in-group morality and an out group morality. The universal, radical egalitarianism types try to extend the in-group morality and altruism to all the outer groups by claiming were all one big in-group, all ONE RACE, ONE PEOPLE. Attempting to deny the out-groups exist. Trying to make that appeal on those very grounds obviously points to the truth of different races of beings and the only real universal morality. Europe is paying for allowing jews to trick them into violating this.

The nature prerequisite for social egalitarianism and the sharing of resources it takes is Kin Altruism. And thus a racially and culturally homogeneous society. This is a positive force in such society and strengthens the entire population and civilization. A chain is only as strong as its weakest link.

### **Superiority exists and we all know it, its quality:**

Who is we? I never said superiority was jewish. Just jews believe their false sense of superiority gives them license to be murderous criminal bastards and vampires to everyone else. Because jooz are criminally insane and their racial psychology is predated upon psychopathology. They are not some model to compare reality with. Their false sense of superiority is just an excuse to do what they're going to do anyway. A way to grant moral legitimacy to themselves.

That however does not mean levels of qualification do not exist they do. Nature is aristocratic even the point of evolution is based on this. Evolution automatically presupposes physiological inequality. Along races, sexes, individuals and on. However I don't believe this is license to dehumanize or mistreat others over such

differences. As do most people. As most people are not psychotic yids. And not at war with bio-diversity and the entire natural order of existence. It's normal for people to create social-nation boundaries and classes based on natural recognition of such qualities and differences and to segregate over them, to preserve their value and increases it. Which is why the jews want to tear this down in the host society as a weapon of war against the goyim host.

The jewish psyche is so unhealthy they have an unconscious urge to self-destruction. And they are taking everything with them.
