

# How Can I Be Involved?

- **Read the Book** - we have copies available for \$15 at the church. You can also find it online.
- **Listen to the Sermons** - from now until Advent the sermons will focus on one chapter of the book each week. If you miss church, you can catch up on Facebook Live or by listening to the podcast of worship.
- **Host a Home Group** - we would love for you to gather a small group of friends in your home weekly to discuss the book. Study options can vary based on your needs and abilities. There is a six-week DVD series. There will be weekly downloadable Study Guides written by your pastors.
- **Download the Podcast** - Pastor Troy will be discussing the book with church members, so we can hear multiple perspectives on the book and materials. Podcasts will be released weekly throughout the fall and can be used on your commute or as part of your home group.
- **Attend Sunday Morning Classes** - there are several levels of class being offered that will deepen the content of the sermons:

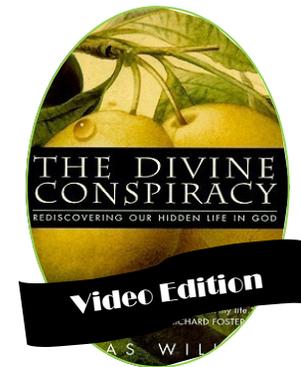

Pastor Troy, Rev. Riley Jensen, and Rev. Dale Swihart will teach in-depth on each chapter of the book.  
(Location: Rec Room)

The Divine Conspiracy and the normal content of The Wired Word.  
(Location: Room 5)

Pastor Jill and friends will lead discussions using DVDs and a study guide.  
(Location: Fellowship Hall)

A DVD of a conversation about the book will be shown. Pastor John Ortberg and Dallas Willard discuss the book and its impact on the church.  
(Location: Conference Room)

## Reading Schedule

Each week we will be covering one chapter of the book, going through chronologically for 10 weeks. It would be helpful to read the chapter prior to the Sunday it will be studied. Our first Sunday of The Divine Conspiracy will be September 17, so start reading now!
