03. EXPERIENCE

Freelance Designer

Lisbon, Portugal / 2016 - Present

Digital Designer @ Nanilani

Tokyo, Japan / 2015 - 2016

Involved in web projects and defining the user interface design. I also taught and brought new design inputs from the western design culture to help the team sell/present their work.

Digital Designer @ BY Living Brands

Lisbon, Portugal / 2014 - 2015

Responsible for the user experience and user interface on several web project for clients such as FOX, National Geographic, 24 Kitchen and Honda.

Digital Designer @ Design Binário

Lisbon, Portugal / 2013

All-round digital designer responsible for all kinds of web related projects such as websites, mobile interfaces, landing pages and newsletters.

Designer @ Ray Gun, Creativity Worldwide

Lisbon, Portugal / May 2012 - 2013

Full-time designer creating advertising campaigns for Nintendo and Durex. I was also involved in illustration, storyboarding and character design projects.

Intern Designer and Illustrator @ Young & Rubicam

Lisbon, Portugal / 2010 - 2011

During my last years of university, I worked as an intern at Young & Rubicam, involved in illustration, storyboarding and post-production projects.
