REVISED REGULATIONS OF SASKATCHEWAN

SASKATCHEWAN REGULATIONS 51/2015

The Apprenticeship and Trade Certification Act, 1999

Section 26

Commission Order, dated May 25, 2015

(Filed May 25, 2015)

Title

1 These regulations may be cited as *The Apprenticeship and Trade Certification Commission Amendment Regulations, 2015*.

R.R.S. c.A-22.2 Reg 4 amended

2 *The Apprenticeship and Trade Certification Commission Regulations* are amended in the manner set forth in these regulations.

Section 3 amended

3 Section 3 is amended:

- (a) in clause (a) by striking out “machinery” and substituting “equipment”;**
- (b) in clause (f.1) by striking out “trade”;**
- (c) in clause (h.1) by striking out “trade”;**
- (d) in clause (k) by striking out “crane and hoist” and substituting “mobile crane”;**
- (e) in clause (n) by adding “construction” before “electrician”;**
- (f) by repealing clause (v) and substituting the following:**
“(v) landscape horticulturist”;
- (g) by repealing clause (v.1) and substituting the following:**
“(v.1) mobile crane operator (hydraulic)”;
- (h) in clause (w) by striking out “industrial instrument” and substituting “instrumentation and control”;**
- (i) in clause (y) by adding “(heat and frost)” after “insulator”;**
- (j) in clause (z) by striking out “reinforcing rebar” and substituting “(reinforcing)”;**
- (k) in clause (aa) by striking out “structural” and substituting “(structural/ornamental)”;**
- (l) in clause (dd) by adding “(metal and paint)” after “repairer”;**
- (m) in clause (ll) by adding “and air conditioning” after “refrigeration”;**
and
- (n) by repealing clause (qq) and substituting the following:**
“(qq) metal fabricator (fitter)”.

Section 33 amended**4 The following subsections are added after subsection 33(5):**

“(6) A person must hold a valid Journeyperson Certificate of Qualification with an Interprovincial seal in order to utilize the endorsement ‘Red Seal Endorsement’ or ‘RSE’.

“(7) A person who does not satisfy the requirement in subsection (6) is not permitted to utilize the endorsement”.

New section 48**5 Section 48 is repealed and the following substituted:****“Agricultural equipment technician trade**

48(1) In this section, ‘**trade**’ means the trade designated in accordance with Part II as ‘agricultural equipment technician trade’ and includes the setting up, diagnosing, repairing, modifying, overhauling and maintaining of agricultural machinery.

(2) This section applies to employers, tradespersons, journeypersons, apprentices and any other person in the trade.

(3) No person is eligible to enter into an apprenticeship program in the trade unless that person has the educational qualifications, skills and aptitude that are required to complete the apprenticeship program successfully in the opinion of the commission.

(4) The term of apprenticeship in the trade consists of four apprenticeship years.

(5) Each apprenticeship year in the trade requires a total of 1,800 hours of training that:

- (a) includes on-the-job training; and
- (b) may include technical training”.

Section 54 amended**6 Subsection 54(6) is repealed and the following substituted:**

“(6) To be eligible to write the journeyperson trade examination in the trade, subject to subsection (7), a tradesperson must verify in accordance with sections 31 and 32 that he or she has worked in the trade 1.5 times the term of apprenticeship”.

New section 55.1**7 Section 55.1 is repealed and the following substituted:****“Construction craft labourer trade**

55.1(1) In this section, ‘**trade**’ means the trade designated in accordance with Part II as ‘construction craft labourer trade’ and includes:

- (a) the preparation and clean-up of construction sites;
- (b) the moving, handling and distributing of construction materials and equipment;
- (c) performing demolition, excavation, backfill and compaction activities;
- (d) the placement, consolidation and protection of cast-in-place concrete structures; and
- (e) the installation of municipal water and sewer lines.

- (2) This section applies to employers, tradespersons, journeypersons, apprentices and any other person in the trade.
- (3) No person is eligible to enter into an apprenticeship program in the trade unless that person has the educational qualifications, skills and aptitude that are required to complete the apprenticeship program successfully in the opinion of the commission.
- (4) The term of apprenticeship in the trade consists of two apprenticeship years.
- (5) Each apprenticeship year in the trade requires a total of 1,200 hours of training that:
 - (a) includes on-the-job training; and
 - (b) may include technical training”.

New section 58

8 Section 58 is repealed and the following substituted:

“Mobile crane operator

58(1) In this section, **‘trade’** means the trade designated in accordance with Part II as ‘mobile crane operator trade’ and includes the operation of any mechanical device or structure that:

- (a) incorporates a power-driven drum and wire rope that is used primarily for raising, lowering or moving material or equipment;
- (b) is equipped with a boom capable of moving in the vertical and horizontal planes;
- (c) is mounted on a base or chassis intended to provide mobility; and
- (d) may be crawler- or wheel-mounted.

(2) In this section:

- (a) **‘boom truck operator “A” sub-trade’** means the sub-trade recognized pursuant to subsection (7) as the ‘boom truck operator “A” sub-trade’ and includes, with respect to boom trucks including boom trucks over 15.5 tons, the maintenance and operation of any device that:
 - (i) is mounted on a turret;
 - (ii) is supported to provide mobility;
 - (iii) incorporates a power-driven drum and wire rope that is used primarily for raising, lowering or moving material or equipment;
 - (iv) is equipped with:
 - (A) a boom capable of moving in the vertical and horizontal planes;
 - or
 - (B) a telescoping or articulating boom;

- (b) **'boom truck operator "B" sub-trade'** means the sub-trade recognized pursuant to subsection (7) as the 'boom truck operator "B" sub-trade' and includes, with respect to boom trucks up to and including 15.5 tons, the maintenance and operation of any device that:
- (i) is mounted on a turret;
 - (ii) is supported to provide mobility;
 - (iii) incorporates a power-driven drum and wire rope that is used primarily for raising, lowering or moving material or equipment; and
 - (iv) is equipped with:
 - (A) a boom capable of moving in the vertical and horizontal planes; or
 - (B) a telescoping or articulating boom;
- (c) **'lattice boom crane operator sub-trade'** means the sub-trade recognized pursuant to subsection (7) as the 'lattice boom crane operator sub-trade' and includes the maintenance and operation of any mechanical device or structure that:
- (i) incorporates a power-driven drum and wire rope used for raising, lowering or moving material;
 - (ii) is equipped with a boom capable of moving in the vertical and horizontal planes; and
 - (iii) is either crawler- or wheel-mounted on a base or chassis to provide mobility.
- (3) This section applies to employers, tradespersons, journeypersons, apprentices and any other person in the trade or in one of the sub-trades defined in subsection (2).
- (4) No person is eligible to enter into an apprenticeship program in the trade unless that person has the educational qualifications, skills and aptitude that are required to complete the apprenticeship program successfully in the opinion of the commission.
- (5) A term of apprenticeship in the trade consists of three apprenticeship years operating lattice boom and hydraulic cranes of which a minimum of 1.0 apprenticeship year must be operating lattice boom cranes and 1.0 apprenticeship year must be operating hydraulic cranes, and the remaining 1.0 apprenticeship year can be served operating either lattice boom or hydraulic cranes.
- (6) Each apprenticeship year:
- (a) subject to clause (b), in the trade requires 1,500 hours of training that:
 - (i) includes on-the-job training; and
 - (ii) may include technical training;

(b) in the boom-truck operator 'B' sub-trade requires 1,000 hours of training that:

- (i) includes on-the-job training; and
- (ii) may include technical training.

(7) The following are recognized as sub-trades of the trade:

- (a) lattice boom crane operator;
- (b) boom truck operator 'A';
- (c) boom truck operator 'B'.

(8) A term of apprenticeship in the lattice boom crane operator sub-trade consists of three apprenticeship years.

(9) The term of apprenticeship is two apprenticeship years in:

- (a) the boom truck operator 'A' sub-trade; or
- (b) the boom truck operator 'B' sub-trade.

(10) A holder of proficiency certificates in both the lattice boom crane operator sub-trade and the hydraulic crane operator trade designated pursuant to these regulations as they existed before the coming into force of *The Apprenticeship and Trade Certification Commission Amendment Regulations, 2015* or a holder of a proficiency certificate in the lattice boom crane operator sub-trade and a journeyman certificate in the mobile crane operator (hydraulic) trade is eligible to write the interprovincial standards examination in the trade, if that person:

- (a) applies on the form provided by the commission;
- (b) surrenders both certificates to the commission when he or she passes the examination; and
- (c) pays any fee required by the commission.

(11) Notwithstanding subsection 26(3), in order to be eligible to write the journeyman trade examination in the trade, a tradesperson who does not hold proficiency certificates in the required trade and sub-trade must satisfy the commission that he or she has worked in the trade for an aggregate of not less than 4.5 years, of which:

- (a) at least 1.5 years are in the mobile crane operator (hydraulic) trade and at least 1.5 years are in the lattice boom crane operator sub-trade, and the remaining 1.5 years may be served in either the mobile crane operator (hydraulic) trade or the lattice boom crane operator sub-trade; and
- (b) not less than two years are to be in:
 - (i) the mobile crane operator (hydraulic) trade if the tradesperson has three years or more in the lattice boom crane operator sub-trade; or
 - (ii) the lattice boom crane operator sub-trade if the tradesperson has three years or more in the mobile crane operator (hydraulic) trade".

New section 61**9 Section 61 is repealed and the following substituted:****“Construction electrician trade**

61(1) In this section, **‘trade’** means the trade designated in accordance with Part II as ‘construction electrician trade’ and includes all ‘work of electrical installation’ as defined in *The Electrical Inspection Act, 1993*.

(2) This section applies to employers, tradespersons, journeypersons, apprentices and any other person in the trade.

(3) No person is eligible to enter into an apprenticeship program in the trade unless that person has the educational qualifications, skills and aptitude that are required to complete the apprenticeship program successfully in the opinion of the commission.

(4) The term of apprenticeship in the trade consists of four apprenticeship years.

(5) Each apprenticeship year in the trade requires a total of 1,800 hours of training that:

- (a) includes on-the-job training; and
- (b) may include technical training”.

New section 69**10 Section 69 is repealed and the following substituted:****“Landscape horticulturist trade**

69(1) In this section:

(a) **‘elm tree pruner endorsement certificate’** means an elm tree pruner endorsement certificate issued by the commission in accordance with this section that certifies that the holder of the endorsement certificate is qualified to prune elm trees;

(b) **‘trade’** means the trade designated in accordance with Part II as ‘landscape horticulturist trade’ and includes a worker who may be engaged in:

- (i) the business of selling, growing, installing or maintaining plant or related material;
- (ii) landscape construction;
- (iii) landscape maintenance;
- (iv) the operation of a greenhouse, nursery or garden centre;
- (v) tree moving; or
- (vi) the selling, growing, installing or maintaining of turf grass.

(2) This section applies to employers, tradespersons, journeypersons, apprentices and any other person in the trade or holder of an endorsement certificate.

(3) No person is eligible to enter into an apprenticeship program in the trade unless that person has educational qualifications, skills and aptitude that are required to complete the apprenticeship program successfully in the opinion of the commission.

(4) The term of apprenticeship in the trade consists of four apprenticeship years.

- (5) Each apprenticeship year in the trade requires a total of 1,350 hours of training that:
- (a) includes on-the-job training; and
 - (b) may include technical training.
- (6) To be eligible for an elm tree pruner endorsement certificate, an individual in the landscape horticulturist trade must:
- (a) complete training to the satisfaction of the commission;
 - (b) complete 1,500 hours of work experience pruning elm trees, to the satisfaction of the commission; and
 - (c) pay any fee required by the commission”.

New section 69.1

11 Section 69.1 is repealed and the following substituted:

“Mobile crane operator (hydraulic) trade

- 69.1(1)** In this section, ‘**trade**’ means the trade designated in accordance with Part II as ‘mobile crane operator (hydraulic) trade’ and includes the maintaining and operating of any hydraulically-driven hoisting device or structure incorporating a power-driven drum and wire rope used for raising, lowering or moving material, that is equipped with a boom capable of moving in the vertical and horizontal planes and that is either crawler- or wheel-mounted on a base or chassis to provide mobility.
- (2) This section applies to employers, tradespersons, journeypersons, apprentices and any other person in the trade.
- (3) No person is eligible to enter into an apprenticeship program in the trade unless that person has the educational qualifications, skills and aptitude that are required to complete the apprenticeship program successfully in the opinion of the commission.
- (4) The term of apprenticeship in the trade consists of 2.5 apprenticeship years.
- (5) Each apprenticeship year in the trade requires a total of 1,500 hours of training that:
- (a) includes on-the-job training; and
 - (b) may include technical training”.

New section 70

12 Section 70 is repealed and the following substituted:

“Instrumentation and control technician trade

- 70(1)** In this section, ‘**trade**’ means the trade designated in accordance with Part II as ‘instrumentation and control technician trade’ and includes maintenance, diagnosing, servicing, repairing and calibration of control instruments used in commercial and industrial settings.
- (2) This section applies to employers, tradespersons, journeypersons, apprentices and any other person in the trade.
- (3) No person is eligible to enter into an apprenticeship program in the trade unless that person has the educational qualifications, skills and aptitude that are required to complete the apprenticeship program successfully in the opinion of the commission.

- (4) The term of apprenticeship in the trade consists of four apprenticeship years.
- (5) Each apprenticeship year in the trade requires a total of 1,700 hours of training that:
 - (a) includes on-the-job training; and
 - (b) may include technical training”.

New section 73

13 Section 73 is repealed and the following substituted:

“Ironworker (reinforcing) trade

73(1) In this section, **‘trade’** means the trade designated in accordance with Part II as ‘ironworker (reinforcing) trade’ and includes:

- (a) the fabrication and welding, in the field, of all materials used to reinforce concrete and in the positioning of post-tensioning steel;
 - (b) the installation of rebar and the placement, sorting, cutting, burning, bending and tying of all materials used to reinforce concrete and in the positioning of post-tensioning steel; and
 - (c) the handling of all materials used to reinforce concrete and in the positioning of post-tensioning steel.
- (2) This section applies to employers, tradespersons, journeypersons, apprentices and any other person in the trade.
 - (3) No person is eligible to enter into an apprenticeship program in the trade unless that person has the educational qualifications, skills and aptitude that are required to complete the apprenticeship program successfully in the opinion of the commission.
 - (4) The term of apprenticeship in the trade consists of two apprenticeship years.
 - (5) Each apprenticeship year in the trade requires a total of 1,800 hours of training that:
 - (a) includes on-the-job training; and
 - (b) may include technical training”.

New section 74

14 Section 74 is repealed and the following substituted:

“Ironworker (structural/ornamental) trade

74(1) In this section, **‘trade’** means the trade designated in accordance with Part II as ‘ironworker (structural/ornamental) trade’ and includes:

- (a) the fabrication, welding, cutting, erection and dismantling, in the field, of structural steel, curtain walls, miscellaneous and ornamental metal work;
 - (b) the erection and placement of precast and prestressed concrete; and
 - (c) the rigging and placement of machinery and equipment.
- (2) This section applies to employers, tradespersons, journeypersons, apprentices and any other person in the trade.

- (3) No person is eligible to enter into an apprenticeship program in the trade unless that person has the educational qualifications, skills and aptitude that are required to complete the apprenticeship program successfully in the opinion of the commission.
- (4) The term of apprenticeship in the trade consists of three apprenticeship years.
- (5) Each apprenticeship year in the trade requires a total of 1,800 hours of training that:
 - (a) includes on-the-job training; and
 - (b) may include technical training”.

New section 77

15 Section 77 is repealed and the following substituted:

“Motor vehicle body repairer (metal and paint) trade

77(1) In this section:

- (a) **‘automotive painter sub-trade’** means the sub-trade recognized pursuant to subsection (6) as the ‘automotive painter sub-trade’ and includes the appraising and refinishing of motor vehicle bodies;
 - (b) **‘trade’** means the trade designated in accordance with Part II as ‘motor vehicle body repairer (metal and paint) trade’ and includes the appraising, servicing, repairing, replacing, refinishing and restoring of damaged bodies and frames of motor vehicles.
- (2) This section applies to employers, tradespersons, journeypersons, apprentices and any other person in the trade or automotive painter sub-trade.
 - (3) No person is eligible to enter into an apprenticeship program in the trade unless that person has the educational qualifications, skills and aptitude that are required to complete the apprenticeship program successfully in the opinion of the commission.
 - (4) The term of apprenticeship program in the trade consists of four apprenticeship years.
 - (5) Each apprenticeship year in the trade requires a total of 1,800 hours of training that:
 - (a) includes on-the-job training; and
 - (b) may include technical training.
 - (6) The sub-trade known as ‘automotive painter’ is recognized as a branch of the trade.
 - (7) The term of apprenticeship program in the ‘automotive painter’ sub-trade is two apprenticeship years”.

New section 85

16 Section 85 is repealed and the following substituted:

“Refrigeration and air conditioning mechanic

- 85(1) In this section, ‘trade’** means the trade designated in accordance with Part II as ‘refrigeration and air conditioning mechanic trade’ and includes the installation, maintenance, servicing and repair of primary and secondary refrigeration systems, cooling systems and their components.

(2) This section applies to employers, tradespersons, journeypersons, apprentices and any other person in the trade.

(3) No person is eligible to enter into an apprenticeship program in the trade unless that person has the educational qualifications, skills and aptitude that are required to complete the apprenticeship program successfully in the opinion of the commission.

(4) The term of apprenticeship in the trade consists of four apprenticeship years.

(5) Each apprenticeship year in the trade requires a total of 1,800 hours of training that:

- (a) includes on-the-job training; and
- (b) may include technical training”.

New section 90

17 Section 90 is repealed and the following substituted:

“Metal fabricator (fitter) trade

90(1) In this section, **‘trade’** means the trade designated in accordance with Part II as ‘metal fabricator (fitter) trade’ and includes the fabrication, layout, cutting, fitting and assembly of ornamental and structural iron, metal and miscellaneous materials.

(2) This section applies to employers, tradespersons, journeypersons, apprentices and any other person in the trade.

(3) No person is eligible to enter into an apprenticeship program in the trade unless that person has the educational qualifications, skills and aptitude that are required to complete the apprenticeship program successfully in the opinion of the commission.

(4) The term of apprenticeship in the trade consists of three apprenticeship years.

(5) Each apprenticeship year in the trade requires a total of 1,800 hours of training that:

- (a) includes on-the-job training; and
- (b) may include technical training”.

Coming into force

18 These regulations come into force on the day on which they are filed with the Registrar of Regulations.
