full-time employment

media producer + manager | water.org | nov2011 - jul2016

Act as a producer + editor, managing all media-production-related activities for the organization. These activities included shooting video as a one-man-crew in developing countries, editing & producing short-form content, distributing video across social media and traditional channels, and planning and executing studio shoots featuring celebrity co-founder Matt Damon. Compile and transfer purpose-built reels of b-roll, as requested by broadcast media outlets and funding partners such as IKEA and PepsiCo. Host brand partners such as ABInBev in ‘the field,’ and oversee their filming and production of branded video content. Finally, as a member of a small, nimble team, work hand-in-hand with colleagues to plan and execute integrated campaigns, raising \$3mm+/yr.

production intern | pbs, kcpt | jun2011 - aug2011

Assist with any and all production, post-production, and pre-production tasks, including editing footage for broadcast on an AVID system, running prompter, shooting live in-studio, and acting as in-field production assistant for senior producers.

video intern | water.org | may2010 - dec2010

Ingest, catalog, and organize all existing video from 1989 until 2010, and develop the extant footage into fresh digital content, including a ground-up remake of the organization’s marquee ‘About Us’ video.
