

We are in the process of creating fresh material for the upcoming Open House as well as web page and brochure information that lists all clubs and projects in Jefferson County. The idea is to make it easier for potential members to see all that Jefferson County 4-H has to offer.

If you could fill out this brief Club Resume, we can get started making some cool info about your club!

#### Description about our club:

Our mission is to learn and improve our archery skills safely, while having a great time. Typically, we meet the third Saturday of the month during the winter, and in the spring it picks up to two or three times per month - usually during the week to prepare for our County Fair and State Fair competitions.

The Grizzlys love to throw in a little 3D target practice along with our typical 10, 20, 30 and 40 yard targets.
