

Jews Pushing to Ban Free Speech, Making Free Speech a Crime Subject to Life Sentence in a Special Soviet Style Prison System.

The Jews have been pushing for laws against free speech for decades with their Social Marxist [PC] indoctrination of society. This creates the ideology for them to create their legal frame work upon and to firmly establish a Jewish run police state.

The Jewish Communizing of America:

Note what Cohen states was the doctrine of the Jew run Communist, Soviet Union as well. This is how Jews work. They dress up their agenda in pseudo-moral gibberish to deceive Gentiles. It is total Jewish Communism which is a Jewish scheme to conquer Gentiles and to impose their real ideology which is found in their Torah and Talmud, the Jewish race soul upon the world, under a cheap cover.

“Hate Speech” is Jew Speak for anyone telling the truth about the Jews. In the Jewish Soviet Union any such criticizing of Jews and their criminal mindset and behavior was punishable with the death penalty by law. In America the Jew just wants to give you life in a "special" political prison, i.e. Gulag. We see what the Jews do to such people in these prisons in Israel, the Jewish State:

Looking into such prison systems in the Jewish run Soviet Union, all of the camps where well known to be run by Jews:

The Real Death Camps And Holocaust:

Note the Jews like to hide behind other races and minority groups as a shield. Jews such as Israel Cohen stated they would do this to bring American down and under Jewish control. The later Jews of the Frankfurt School of Social Marxism stated the same.

Here is what Jews think of all non-Jews, Black, White, Asian, and of mixed race. It does not matter what color one is:

What does the Jewish Talmud say about Gentiles:

Sanhedrin 59a: "Murdering Goyim is like killing a wild animal."

Abodah Zara 26b: "Even the best of the Gentiles should be killed."

Hilkoth Akum X1: "Show no mercy to the Goyim."

Note most of those so-called "Evil White Supremacist Groups" are full of Jewish and Federal agent provocateurs and run by such agendas from the top. Even then they can't hold a candle next to the Talmud of the Jewish race mind. Is saying things that hurt peoples' feelings only, really worth life in a special prison? There are already laws to arrest people for legitimate crimes like threatening to commit assault or murder someone or for openly inciting others to do so. Life in prison for telling a Joke that hurts someone's feelings; is that the society YOU want to live in? Can't we all just grow up and have thicker skin as mature adults. But then we would be free to speak the truth about the Jew.

All People are equal but some People are the Chosen and are more equal than others.

Jews want to ban Free Speech online. That means life in prison for posting a joke online.

They also want Freedom Of Speech gone in Europe. They already put Zundel in a dungeon in Germany for five years for having an educated opinion on a claimed historical event. They would love to make that life in prison instead.

Jewish leaders call for Europe-wide legislation outlawing anti-Semitism

Here is an excerpt from the link above:

Here Is Why It's Time To Get Tough On Hate Speech In America by Tanya Cohen [Jewess]

"Anyone guilty of hate speech – which should carry criminal penalties of 25 years to life – should be sent to special prisons designed to re-educate them and to instill values of tolerance, freedom, democracy, and human rights in them. Prison is about punishment, but it's also about changing the behavior of criminals. We often tend to forget this in our country. Merely sending bigots to ordinary prisons is not good enough – they need to be sent to special prisons for bigots, which will re-educate them."

"A Way Ahead For The U.S."

“In order to establish ourselves as a country that sincerely respects fundamental human rights, democratic freedoms, and individual liberties, America needs to pass basic human rights legislation – such as a Human Rights Act – that outlaws, among other things:”

“Speech which offends, insults, demeans, threatens, disrespects, discriminates against, and/or incites hatred or violence against a person or a group of people based on their race, gender, age, ethnicity, color, nationality, religion, sexual orientation or sexual activity, gender identity or gender expression, disability, language, language ability, ideology or opinion, social class, occupation, appearance (height, weight, hair color, etc.), mental capacity, and/or any other comparable distinction. In cases where hate speech is aggravated – such as incitement to genocide – prison sentences should be even longer.”

“The spreading of misinformation, including climate change denial, denial of war crimes and genocides (especially Holocaust denial), conspiracy theories, anti-vaccine propaganda, and general nonsense.”

“Anti-feminist, anti-multicultural, anti-immigration, and/or anti-equality ideology. Insulting, disrespectful, and/or offensive speech in general and speech that violates the dignity of people. This would include, for example, jokes about tragedies along with insults and derogatory/disrespectful comments about any person, group, place, or thing.”

“Speech that disparages the memory of deceased persons.”

“Speech that undermines the authority of the state and/or interferes with the state’s ability to properly function and do its job. This would also include speech that undermines the authority of the United Nations and/or international law.”

“Speech that promotes unacceptable ideas, such as un-democratic ideologies and ideologies that oppose freedom. This would also apply to promoting people who promote or promoted unacceptable ideas. For example, in the case of *The Jewish community of Oslo et al. v. Norway*, the United Nations Committee on the Elimination of Racial Discrimination ruled that glorifying Hitler not only constitutes incitement to Hatred, but also incitement to violence.”

“Speech which is found to be irresponsible, unethical, antisocial, hurtful, impolite, uncivil, abusive, distasteful, and/or unacceptable in general.”

There is much more in the above article and of course, the Jews threw something in there about Israel and the apartheid there to create confusion. Jews do this purposely to try to confuse Gentiles and deceive us into thinking they are not the ones who are behind these sick programs. The above is Jewish communism. Jewish communism resulted in the mass murder of over 100 million

innocent people. Hundreds of millions of others' lives were ruined by Jewish communism. The above is a sample of what real communism is all about.
