Career Pathway: Metal Fabrication

This Pathway can serve as a guide, along with other career planning materials. Courses listed within this plan are only recommended coursework and should be individualized to meet each learner's educational and career goals. This should be customized with course titles and appropriate district and high school graduation requirements and course options. Refer to the latest version of the approved courses for the secondary schools of Mississippi at the MDE's Web site.

LEVELS	GRADE	English/ Language Arts	Math	Science	Social Studies/ Sciences	Other Required Courses Electives	Pathway Suggested Related Electives	
<i>Interest Inventory Administered and Pathway Selected for all Learners</i>							CTE	Other Secondary Electives
SECONDARY	7	Seventh Grade Language Arts	Seventh Grade Math or Pre-Algebra	Seventh Grade Science	Seventh Grade (Eastern Hemisphere Studies to 1750)	Information and Communication Technology I	Metal Fabrication I (2)* Metal Fabrication II (2)* Fundamentals of Metal Fabrication (1) Application of Metal Fabrication (1) Theory of Metal Fabrication (1) Advance Skills of Metal Fabrication (1) Career Pathways Experience (.5,1,2) Entrepreneurship (1)	Accounting Fundamentals (1) Business Finance (1) Personal Finance (.5) Oral Communication (1) Drawing I (.5) Drawing II (.5) Marketing Essentials (1) Marketing (1) Foreign Language JROTC (1)
