

Knowledge is the Key

By High Priestess Maxine Dietrich

This sermon is mostly for those who are new, but everyone should be aware of this and read on. I rarely have any time or interest in watching movies anymore. Earlier this evening, I had 20 minutes I had to wait for a service and there was a video store where they rented DVDs close by, so I decided to go inside while I waited. The walls were chock full of DVDs [new releases for one] that were obviously made with the intention of frightening people away from Satan. This crap was loaded. I saw so many DVDs with inverted crucifixes, possession, exorcist type junk and much more. Now, for those of you here who are educated and onto these enemy tactics, you understand, as you know just how Hollywood is Jewish and how the Jews work relentlessly to push Christianity and to frighten people away from Satan.

The drastic increase in promoting these movies is the Jewish reaction to the recent advancement of Satanism in the past few years. In addition to the horror and gore heaped upon Satan, the clever Jews also include many subliminal messages in these movies to try to further frighten audiences away from Satan and ideally, to push them into accepting jewsus and Christianity.

For the past 25 years or so, I have frequented video stores and have never seen anything to the extent of what I have seen recently.

For those of you who are onto these tactics, like myself, you can see right through them. Knowledge is the key and knowledge is of Satan. With enough knowledge, when you pass a certain point, you can no longer be lied to or deceived. The truth is the truth. For those of you who are in doubt or are confused in any way, study everything on the websites above and also <http://www.exposingchristianity.com>

Take the time to read and educate yourself. If you doubt any of the information in the articles on the above website, I strongly encourage you to do research on your own. Everything in the articles can be verified with enough study.

The Jews have a modus operandi; certain methods they use and have used for centuries to retain their nefarious hold and control of humanity. Knowledge is the most serious threat to them and to their agenda. This has been proven repeatedly with the cursing of the serpent who represented knowledge in the book of Genesis in the bible, for one. Slaves of any kind must be unknowing, and ideally illiterate. Knowledge is power. When Jew communism takes over, one of the first actions they take are the purges. Purges are the mass-murders and tortures that extend into the millions and the first to go are the scholars and the intellectuals- people with knowledge. Most of you here already know about the Jewish program of communism and their tactics, which have their foundation in the bible.

High Priest Don already covered a lot of what the Jews are doing with technology this in his article "The Jewish Enforced Microchip Implants"

<http://www.exposingcommunism.com/Jewish%20Enforced%20Microchip.pdf>

There is much more to this and for this to be stopped, the entire world must know and be aware of this. Few people are aware of this to any extent at all. This is extremely serious.

I will also add here and everyone should know this beyond any doubt. Everything the Jews and Christians accuse Satan [The Devil] of and blame on Satan is really their own god. Take the time to really read and to understand this article if you haven't already:

As I have mentioned many times before, Amdusias told the JoS ministry way back in 2003 how "the enemy will manifest blatantly as the earth draws closer to the climax of our cause." The enemy is very clever and has a major talent for deception and getting the populace to believe their lies. In that filthy bible of theirs, which is no more than a very powerful subliminal that is pushed upon the populace and is in nearly every home, every hotel, hospitals and you name it.

Concerning the references to the implants in the biblical book of Revelation 13:16-17 King James Version (KJV)

16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Christians have this all wrong and backwards. THE ABOVE VERSE IS A POWERFUL SUBLIMINAL. Every ugly action carried out by the Jews is given in the bible, as this IMPLANTS and IMBEDS itself in the minds of believers and into the subconscious. Just as the Old Testament has the endless verses of how the God of the Jews delivers up the Gentile nations to be systematically slaughtered, looted and enslaved. THESE ARE SUBLIMINALS! You have to be onto this to fully understand.

The above verse concerning the implants imbeds itself in the minds of Christians and others who believe this AND THROUGH THIS, THE MASS MIND EXPECTS IT AND IT HAPPENS. In addition, again, everything the enemy is and does is cleverly blame-shifted onto Satan in order to create extreme confusion and to deceive. Satan is the distraction. The same has also been done with how the Jews have used Adolf Hitler and the Third Reich as a distraction to cover up the crimes of communism [mass-murder past the 100 million count], the REAL concentration camps and everything the Jews have accused the Nazis of, are in truth crimes committed under Jewish communism.

Concentration camps in Communist China and North Korea harvest the body organs of prisoners where the Jews make a killing financially, for one. There are very, very few survivors and hardly any mass-murdering communists have ever been brought to justice.

With this, so many fall into the deceptive trap and this gives Christianity credibility, as few people have enough sense to fully understand and see through this.

Knowledge is the key to solving all problems, and if something seems that it cannot be solved, then there is always the knowledge of 'how.' Knowledge is the greatest weapon we have against the enemy. This can be readily seen in how the Jews have used their Christian tools to burn libraries to the ground, destroy, and confiscate books and other sources of knowledge. Loads of texts over the centuries were seized by the Vatican and are in the vaults that are off-limits to the public.

Death is also of the enemy. Whenever humanity has reached a certain level of knowledge, the enemy moves in and destroys this, along with the culture. The fall of Rome and the ensuing Dark Ages for one and of course many of you are aware of how Jewish communism along with mass-murdering educated peoples, they the destroy books and any sources of education in any countries that they victimize.

Taking this a step further, we humans cannot take our knowledge with us when we die. Reincarnation wipes away all knowledge and as babies, we start it all over again at square one. It is of the enemy who has had control through the Christian and the Muslim programs and other programs of spiritual degeneracy. Satan's rule was during the Golden Age when humans lived hundreds of years.

Think of how many great minds, highly educated people could benefit the world if they did not die and could expand their learning indefinitely.

The enemy has worked to cut this short.
